**SUPPLEMENTARY INFORMATION:** WHD staff use the Employment Information Form, Form WH–3, as a guide for recording information complainants (e.g., current and former employees, unions, and competitor employers) provide about alleged violations of agency-administered labor standards. Complainants generally provide the information requested on the form to WHD staff over the telephone or in person. WHD staff use the information to determine whether the agency has jurisdiction to investigate the alleged violation(s). When the WHD schedules a complaint-based investigation, the agency makes the completed Form WH–3 part of the investigation case file.

Where the information provided does not support a potential WHD enforcement action, complainants are advised and referred to the appropriate agency for further assistance.
