

specific rate; (3) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the PRC-wide entity; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h) and 351.221(b)(4).

Dated: August 28, 2013.

#### Certain Cased Pencils From the People's Republic of China: Rescission of Antidumping Duty Administrative Review; 2011-2012

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Department) is rescinding the administrative review of the antidumping duty order on certain cased pencils (pencils) from the People's Republic of China (PRC) for the period December 1, 2011, through November 30, 2012, based on the withdrawal of the review request by one company and on the revocation of the order with respect to the second company for which a review was requested.

**DATES:** *Effective:* September 4, 2013.

**FOR FURTHER INFORMATION CONTACT:** Mary Kolberg at (202) 482-1785; AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230.

#### SUPPLEMENTARY INFORMATION:

##### Background

On January 30, 2013, the Department initiated an administrative review of the antidumping duty order on pencils from the PRC for the period December 1, 2011, through November 30, 2012, based on self-requests by Beijing Fila Dixon Stationery Company, Ltd. and Orient International Holding Shanghai Foreign Trade Co., Ltd. (SFTC).<sup>1</sup> On February 4, 2013, SFTC withdrew its request for review. On July 18, 2013, the Department published the final results of the 2010-2011 administrative review of pencils from the PRC, in which it revoked the antidumping duty order on pencils (pencils order) with respect to Dixon effective December 1, 2011.<sup>3</sup>

<sup>1</sup> Beijing Fila Dixon Stationery Company, Ltd. is also known as Beijing Dixon Ticonderoga Stationery Company, Ltd., Beijing Dixon Stationery Company, Ltd., and Dixon Ticonderoga Company (collectively, Dixon).

<sup>2</sup> See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 78 FR 6291 (January 30, 2013).

<sup>3</sup> See *Certain Cased Pencils From the People's Republic of China: Final Results of Antidumping Duty Administrative Review and Determination To Revoke Order In Part; 2010-2011*, 78 FR 42932 (July 18, 2013), and accompanying Issues and Decision Memorandum ("*Pencils 2010-2011 Final*").

#### Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the party that requested a review withdraws the request within 90 days of the publication of the notice of initiation of the requested review. In this case, SFTC withdrew its request within the 90-day deadline. Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding the instant review with respect to SFTC.

In addition, since the Department revoked the pencils order with respect to Dixon effective December 1, 2011, the instant review is moot with respect to Dixon. Therefore, we are rescinding the review with respect to Dixon.

Therefore, because no other parties requested a review of this order for this period, we are rescinding the administrative review of the pencils order covering the period December 1, 2011, through November 30, 2012, in its entirety.

#### Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all entries of pencils from the PRC, except for entries exported by Dixon. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice of rescission of administrative review.

As a result of *Pencils 2010-2011 Final*, we already terminated the suspension of liquidation for subject merchandise exported by Dixon that was entered, or withdrawn from warehouse, for consumption, on or after December 1, 2011, and instructed CBP to refund, with interest, any cash deposits for such entries.

#### Notifications

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to administrative

protective order (“APO”) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is in accordance with section 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: August 26, 2013.

**SUPPLEMENTARY INFORMATION:** NIST hosted six prior Cloud Computing Forum & Workshop events in May 2010, November 2010, April 2011, November 2011, June 2012 and January 2013. The series of workshops was organized in response to the request of the U.S. Chief Information Officer that NIST lead federal efforts on standards for data portability, cloud interoperability, and security.<sup>1</sup> The workshops’ goals are to engage with industry to accelerate the development of cloud standards for interoperability, portability, and security, discuss the Federal Government’s experience with cloud computing, report on the status of the NIST Cloud Computing efforts, launch and report progress on the NIST-led initiative to collaboratively develop a U.S. Government (USG) Cloud Computing Technology Roadmap among multiple federal and industrial stakeholders, and to advance the dialogue among all of these stakeholders. This workshop in the series has been expanded to focus on the emerging trend of Mobility in the context of its convergence with and complementary relationship to Cloud Computing.

On the first day, the workshop presenters will focus on the future of Cloud Computing, Mobility and where the two intersect, in addition to providing a status update on NIST efforts to develop or support development of security, interoperability and portability open standards, cloud service metrics and service level agreement guidance. On the second day, the workshop will focus on current Cloud Computing and Mobility challenges and how these challenges could be alleviated or exacerbated at the intersection of Cloud and Mobility. On the third day, the

workshop will focus on the path forward to achieve full integration and harmonization of Cloud Computing and Mobility and to explore possibilities for harmonizing the two in ways that unleash their complementing power and augment their inter-correlation to promote progress and prosperity.

NIST invites members of the public, especially Cloud Computing and Mobility community stakeholders, to participate on Tuesday, October 1, and Wednesday, October 2, 2013, as an exhibitor. Exhibit space will be available for a total of 25 academic, industry, and standards developing organizations to exhibit their respective Cloud Computing or Mobility work at an exhibit table or with a poster. The first 25 organizations requesting an exhibit table or a poster display related to Cloud Computing & Mobility will be accepted for both days. Interested organizations should contact Tara Brown, email: [tara.brown@nist.gov](mailto:tara.brown@nist.gov) or (301) 975-4178. Requests for an exhibit table or posters will be granted on a first-come, first-serve basis. Responses must be submitted by an authorized representative of the organization. Logistics information will be provided to accepted exhibitors. NIST will provide the poster and exhibit location space and one work-table, free of charge. Exhibitors are responsible for the cost of the poster or exhibit, including staffing and materials. NIST reserves the right to exercise its judgment in the placement of posters and exhibits. General building security is supplied; however, exhibitors are responsible for transporting and securing exhibit equipment and materials. NIST is not liable with regard to damage or loss of equipment used in the exhibit table or poster.

The workshop is open to the general public; however, those wishing to attend must register at <http://www.nist.gov/itl/cloud/intersection-of-cloud-and-mobility.cfm> by 5:00 p.m. ET on Tuesday, September 24, 2013.
