This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the

following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Upward Bound and Upward Bound Math Science Annual Performance Report.*OMB Control Number:* 1840–NEW.*Type of Review:* New collection.*Respondents/Affected Public:* State, Local, or Tribal Governments, Private Sector.*Total Estimated Number of Annual Responses:* 992.*Total Estimated Number of Annual Burden Hours:* 16,864.*Abstract:* The U.S. Department of Education is requesting a new Annual Performance Report (APR) for grants under the regular Upward Bound (UB) and Upward Bound Math and Science (UBMS) Programs. The Department is requesting a new APR because of the implementation of the Higher Education Opportunity Act revisions to the Higher Education Act of 1965, as amended, the authorizing statute for the programs. The APRs are used to evaluate the performance of grantees prior to awarding continuation funding and to assess a grantee's prior experience at the end of each budget period. The Department will also aggregate the data to provide descriptive information on the programs and to analyze the impact of the program on the academic progress of participating students.**Kate Mullan,***Acting Director, Information Collection Clearance Division, Privacy, Information and Records Management Services, Office of Management.*

response to this notice will be considered public records.

Title of Collection: Student Assistance General Provisions—Subpart E—Verification Student Aid Application Information.

OMB Control Number: 1845–0041.

Type of Review: An extension of an existing information collection.

Respondents/Affected Public: Private sector, State, Local, or Tribal Governments, individuals or households.

Total Estimated Number of Annual Responses: 32,555,838.

Total Estimated Number of Annual Burden Hours: 3,938,676.

Abstract: This request is for an extension of the information collection supporting the policies and reporting requirements contained in Subpart E of Part 668 Verification and Updating of Student Aid Application Information. Sections 668.53, 668.54, 668.55, 668.56, 668.57, 668.59 and 668.61 contain information collection requirements (OMB control number 1845–0041). This subpart governs the verification and updating of the Free Application for Federal Student Aid (FAFSA) used to calculate an applicants Expected Family Contribution (EFC) for purposes of determining an applicants need for student financial assistance under Title IV of Higher Education Act of 1965, as amended (HEA). The collection of this documentation helps ensure that students (and parents in the case of PLUS loans) receive the correct amount of Title IV program assistance by providing accurate information to calculate applicants expected family contribution.
