SUPPLEMENTARY INFORMATION: The
Winnemucca District Proposed RMP
would replace the existing 1982
Sonoma-Gerlach and Paradise-Denio
Management Framework Plans and the
1999 Paradise-Denio and Sonoma-
Gerlach Management Framework Plan-
Lands Amendment. The Proposed RMP/
Final EIS has been developed using a
collaborative planning process.
Collaboration included working with
nine cooperating agencies, development
of alternatives using a sub-group of the
Sierra Front-Northwestern Great Basin
Resource Advisory Council, input
through coordination and consultation
with Native American/tribal interests,
and input based on public scoping and
public comments received on the Draft
Resource Management Plan/Draft
Environmental Impact Statement. The
Winnemucca District Proposed RMP
decision area encompasses
approximately 7.4 million acres of
public land administered by the BLM in
Humboldt, Pershing, and parts of
Lander, Lyon, Churchill, and Washoe
counties, Nevada. The Proposed RMP
does not include decisions on private
lands, State lands, Indian reservations,
Federal lands administered by other
agencies or lands within the District's
Black Rock Desert-Highrock Canyon,
Emigrant Trails National Conservation
Area (NCA), except for administratively
combining portions of two wild horse
herd management areas into one herd
management area. The NCA is managed
in accordance with the 2004 Record of
Decision and Resource Management
Plan for the Black Rock Desert-High
Rock Canyon Emigrant Trails National
Conservation Area and Associated
Wilderness, and other Contiguous Lands
in Nevada.

The Winnemucca District Proposed
RMP/Final EIS includes goals,
objectives and management actions for
protecting and preserving natural
resources including wildlife habitat,
sensitive and threatened or endangered
species habitat, watersheds, and wild
horses and burros. The Proposed RMP/
Final EIS also addresses protection and
preserving cultural resources, scenic
values, lands with wilderness
characteristics, National Historic Trails,

and management of recreation. Multiple
uses are addressed including:
Management and forage allocations for
livestock grazing; delineation of lands
open, closed, or subject to special
stipulations or mitigation measures
relating to minerals; and management of
lands and realty actions, including
delineation of avoidance and exclusion
areas applicable to rights-of-ways and
land tenure adjustments. Recreation
management includes designation of off-
highway vehicle management areas.
Three new areas of critical
environmental concern (ACECs) are
proposed. The ACECs are proposed to
protect natural and cultural resource
values and traditional Native American
use areas. The proposed Pine Forest
ACEC contains important wildlife
habitat values including habitat for
sensitive species. The proposed Raised
Bog ACEC contains a unique floating
bog that is useful for scientific research.
The proposed Stillwater ACEC contains
important cultural resources and many
traditional Native American use areas
including traditional cultural properties.
Management direction to protect
sensitive plant species is proposed for
the existing Osgood Mountain
Milkvetch ACEC.

The Proposed RMP/Final EIS analyzes
four management alternatives.
Alternative A is the No Action
Alternative, which is the continuation
of current management; Alternative B
emphasizes resource use; Alternative C
emphasizes preservation and protection
of ecosystems and contains two options:
Option 1 allows livestock grazing and
option 2 does not allow livestock
grazing; and Alternative D, which is the
Proposed RMP and provides a balance
between resource protection and
resource use.

Alternative D has been modified from
the proposed alternative D in the Draft
RMP/EIS based on public comments
and input from the Cooperating
Agencies. The proposed RMP balances
resource uses and environmental
protection, best fulfills the BLM's
statutory mission and responsibilities as
required under FLPMA, and complies
with the BLM planning regulations.

The Winnemucca District worked
with nine cooperating agencies in the
development of the Proposed RMP. The
Cooperating Agencies are: U.S. Fish and
Wildlife Service, U.S. Bureau of
Reclamation, Nevada Department of
Wildlife, Nevada Department of
Agriculture, Humboldt County, Pershing
County, Washoe County, City of
Winnemucca, and the N–2 Grazing
Board.

The BLM issued a *Notice of Intent to
Prepare a Resource Management Plan*

and Associated Environmental Impact Statement and initiated the public scoping process on March 25, 2005 (70 FR 15348). The BLM accepted scoping comments for 60 days. The draft RMP/draft EIS was made available for a 90-day public comment period on June 25, 2010 (75 FR 36435).

The BLM received 1,348 comments and 30,617 form letters pertaining to wild horses and burros in response to the Draft RMP/Draft EIS. Substantive comments were reviewed and incorporated as appropriate into the proposed plan.

Notable issues raised in public comments include: Minerals, with an emphasis on areas available for minerals development; recreation management and designation of off-highway vehicle management areas; livestock grazing; fish and wildlife, including management of priority habitat; air quality; management of rights-of-way avoidance and exclusion areas; and management of wild horses and burros.

Copies of the Proposed Winnemucca District RMP/Final EIS have been sent to affected tribal, Federal, State, and local government agencies and to other stakeholders.

Instructions for filing a protest with the Director of the BLM regarding the Proposed RMP/Final EIS may be found in the "Dear Reader" letter of the Winnemucca District Proposed RMP/Final EIS and at 43 CFR 1610.5-2. All protests must be in writing and mailed to the appropriate address, as set forth in the **ADDRESSES** section above. Emailed protests will not be accepted as valid protests unless the protesting party also provides the original letter by either regular or overnight mail postmarked by the close of the protest period. Under these conditions, the BLM will consider the emailed protest as an advance copy and it will receive full consideration. If you wish to provide the BLM with such advance notification, please direct emails to Brenda_Hudgens-Williams@blm.gov.

Before including your phone number, email address, or other personal identifying information in your protest, you should be aware that your entire protest—including your personal identifying information—may be made publicly available at any time. While you can ask us in your protest to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
