

NOTIFICATION PROCEDURE:

The Secretary of Homeland Security has exempted certain records from this system from the notification, access, and amendment procedures of the Privacy Act because it may contain records or information related to law enforcement or national security purposes. However, DHS/TSA will consider individual requests to determine whether or not information may be released. Thus, individuals seeking notification and access to any record contained in the system of records, or seeking to contest its content, may submit a request in writing to the DHS/TSA FOIA Officer. Written requests may be submitted to DHS/TSA FOIA Officer, Freedom of Information Act Office, Transportation Security Administration, TSA-20, 601 South 12th Street, Arlington, VA 20598-6020; or to foia.tsa@dhs.gov. If an individual believes more than one component maintains Privacy Act records concerning him or her, the individual may submit the request to the Acting Chief Privacy Officer and Acting Chief Freedom of Information Act Officer, Department of Homeland Security, 245 Murray Drive, SW., Building 410, STOP-0655, Washington, DC 20528.

When seeking records about yourself from this system of records or any other Departmental system of records, your request must conform with the Privacy Act regulations set forth in 6 CFR Part 5. You must first verify your identity, meaning that you must provide your full name, current address, and date and place of birth. You must sign your request, and your signature either must be notarized or submitted under 28 U.S.C. 1746, a law that permits statements to be made under penalty of perjury as a substitute for notarization. While no specific form is required, you may obtain forms for this purpose from the Acting Chief Privacy Officer and Acting Chief Freedom of Information Act Officer, <http://www.dhs.gov> or 1-866-431-0486. In addition, you should:

- Explain why you believe the Department would have information on you;
- Identify which component(s) of the Department you believe may have the information about you;
- Specify when you believe the records would have been created; and
- Provide any other information that will help the FOIA staff determine which DHS component agency may have responsive records.

If your request is seeking records pertaining to another living individual, you must include a statement from that individual certifying his/her agreement for you to access his/her records.

Without the above information, the component(s) may not be able to conduct an effective search, and your request may be denied due to lack of specificity or lack of compliance with applicable regulations.

RECORD ACCESS PROCEDURES:

See "Notification procedure" above.

CONTESTING RECORD PROCEDURES:

See "Notification procedure" above.

RECORD SOURCE CATEGORIES:

Information contained in this system may be obtained from TSA Pre✓™ Application Program applicants, the TSC, law enforcement, immigration, and intelligence agency record systems, other government databases, and other DHS systems. The sources of information in the criminal history records obtained from the Federal Bureau of Investigation are set forth in the Privacy Act system of records notice entitled Department of Justice Federal Bureau of Investigation-009 Fingerprint Identification Records System (72 FR 3410, January 1, 2007).

EXEMPTIONS CLAIMED FOR THE SYSTEM:

Portions of this system will be exempted from 5 U.S.C. 552a(c)(3); (d); (e)(1); (e)(4)(G), (H), and (I); and (f) pursuant to 5 U.S.C. 552a(k)(1) and (k)(2). In addition, to the extent a record contains information from other exempt systems of records, TSA will rely on the exemptions claimed for those systems. TSA will publish a notice of proposed rulemaking for exemptions to accompany this system of records notice.

Re-Establishment of the Committee

For the reasons set forth below, the Secretary of Homeland Security has determined that the re-establishment of the CTAC is necessary and in the public interest. This determination follows consultation with the Committee Management Secretariat, General Services Administration.

The CTAC is being re-established in accordance with the provisions of the Federal Advisory Committee Act (FACA) 5 U.S.C. App. (Pub. L. 92-463). The charter has been modified to clearly describe the points of view that each member will represent.

The CTAC provides advice and recommendations to the Department of Homeland Security (DHS) on matters relating to the safe and secure marine transportation of hazardous material activities insofar as they relate to matters within United States Coast Guard's (USCG) jurisdiction. The Committee's unique industry perspective will provide critical support to the Coast Guard's efforts to ensure the safety of the U.S. merchant marine. This information would otherwise have to be drawn from the broad population involved in marine chemical transportation. There is no other current entity which can provide the level of technical expertise and experience that is afforded by this advisory committee.

Balanced Membership Plans

The CTAC will consist of a maximum twenty-five (25) members appointed by the Secretary of Homeland Security. Each member must represent a point of view directly relevant to at least one of the following activities associated with marine transportation of hazardous materials: chemical manufacturing, marine handling or transportation of chemicals; vessel design and construction; marine safety or security; and marine environmental protection. To ensure diverse points of view are consistently maintained, the number of members representing each activity may vary with the nature of the CTAC's expected assignments and the relevant experience of the members. All members are appointed to represent the activities of their respective authority, association, and/or organization and are not Special Government Employees as defined in Title 18, United States Code, section 202(a).

Duration: Continuing.

Responsible DHS Officials: CTAC will provide advice and recommendations to the Secretary of the Department of Homeland Security through the Commandant, USCG and the Deputy Commandant for Operations.

Dated: September 3, 2013.

J.G. Lantz,

Director of Commercial Regulations and Standards.
