#### Health Workforce Research Center Cooperative Agreement Program

**AGENCY:** Health Resources and Services Administration (HRSA), HHS.

**ACTION:** Notice.

**SUMMARY:** The Bureau of Health Professions (BHP) is announcing a change to its Health Workforce Research Center cooperative agreement program. Funding Opportunity Announcement (FOA) HRSA–13–185, issued on November 26, 2012, announced HRSA’s intent to fund Health Workforce Research Centers (HWRCs) focusing on research and technical assistance (TA). The FOA identified five broad areas of focus for research in HWRCs: Allied health, long-term care, behavioral health, oral health, and flexible use of workers to improve care delivery and efficiency. The concentration area, “flexible use of workers to improve care delivery and efficiency,” was further defined via published “frequently asked questions” as an area intended to address questions related to leveraging the existing health workforce to improve access to care, efficiency, and effectiveness in care delivery. Suggested topics for study included novel health care roles, team-based care (including the composition of teams and division of responsibilities across a team), professionals working at the top of their skills and training, and delegation. These proposed concentration areas were selected as areas of critical

importance to health workforce policies and programs, as well as areas in which substantial expertise exists outside the government, indicating strong potential for public benefit.

Applicants were asked to design a portfolio consisting of six research or TA projects, of which a subset would be selected for completion in the first budget period. Applicants were instructed to use their own judgment and expertise in designing a portfolio that would address timely, relevant, and important health workforce policy and planning questions.

Though the FOA indicated the intent to fund only one cooperative agreement in each research focus area, the latitude given to applicants in designing their portfolios resulted in diverse interpretations of the concentration areas, particularly in the “flexible use of workers” category. For example, the top two ranked “flexible use of workers” HWRC (ranked at second and third in the research category) have distinct areas of focus. One focuses its portfolio on use of workers in community health centers, health IT, and telehealth. The other focuses primarily on primary care, including competencies for primary care teams, temporal shifts between primary and specialty practice over time, and flexibility in primary vs. specialty care service offerings. After further consideration, and in light of growing interest in promoting full and effective use of health workers, HRSA has concluded it is appropriate and consistent with the intent of the FOA to fund more than one cooperative agreement in a single area of concentration if the proposals cover research on distinct issues of importance.

With this in mind, BHP intends to fund two HWRCs in the concentration area “flexible use of workers.” This decision was made in light of the critical importance of defining new and emerging roles and models of the health workforce to meet the nation’s changing

health care needs. In addition, this allows BHP to fund directly down the rank order list of applicants produced in the independent review process.

### Indian Health Service

#### Notice of Service Delivery Area Designation for the Wilton Rancheria

**AGENCY:** Indian Health Service.

**ACTION:** Notice.

**SUMMARY:** This Notice advises the public that the Indian Health Service (IHS) proposes the geographic boundaries of the Service Delivery Area (SDA) for the newly restored Wilton Rancheria. The Wilton Rancheria SDA is to be comprised of Sacramento County in the State of California. The county listed is designated administratively as the SDA, to function as a Contract Health Service Delivery Area (CHSDA), for the purpose of operating a Contract Health Service (CHS) program pursuant to the Indian Self-Determination and Education Assistant Act (ISDEAA), Public Law 93–638.

**DATES:** This notice is effective 30 days after date of publication in the **Federal Register** (FR).

**ADDRESSES:** Comments may be mailed to Ms. Betty Gould, Regulations Officer,

Indian Health Service, 801 Thompson Avenue, Suite 450, Maryland 20852. Comments will be made available for public inspection at this address from 8:30 a.m. to 5:00 p.m. Monday–Friday beginning approximately two weeks after publication of this notice.

**FOR FURTHER INFORMATION CONTACT:** Mr. Carl Harper, Director, Office of Resource Access and Partnerships, Indian Health Service, 801 Thompson Avenue, Suite 360, Rockville, Maryland 20852. Telephone 301/443–2694 (This is not a toll free number).

**SUPPLEMENTARY INFORMATION:** The IHS currently provides services under regulations in effect on September 15, 1987 and IHS republished at 42 CFR Part 136, Subparts A–C. Many of the newly recognized/restored/reaffirmed Tribes do not have reservations and either Congress has legislatively designated counties to serve as SDAs or the Director, IHS, exercised reasonable administrative discretion to designate SDAs to effectuate the intent of Congress for these Tribes. The Director, IHS, published notice of the establishment of SDAs in the June 21, 2007 FR Notice (72 FR 34262–01). The SDAs function as CHSDAs for the purposes of operating a CHS program pursuant to the ISDEAA, Public Law 93–638. Thus, the CHSDA list incorporates the SDAs that operate as CHSDAs for newly recognized/restored/

reaffirmed Tribes. At 42 CFR 136 Subpart C, a CHSDA is defined as the geographic area within which CHS will be made available by the IHS to members of an identified Indian community who reside in the area. Residence within a CHSDA by a person who is within the scope of the Indian health program, as set forth in 42 CFR 136.12 creates no legal entitlement to CHS, but only potential eligibility for services. Services needed but not available at an IHS/Tribal facility are provided under the CHS program, depending on the availability of funds, the person’s relative medical priority, and the actual availability and accessibility of alternate resources in accordance with the regulations. As applicable to the Tribes, these regulations provide that, unless otherwise designated, a CHSDA shall consist of a county which includes all or part of a reservation and any county or counties which have a common boundary with the reservation (42 CFR 136.22(a)(6) (2007)).

As of June 8, 2009, the Wilton Miwok Rancheria was restored as an Indian Tribe within the meaning of Federal law. The restoration of the Tribe’s status as a federally recognized Tribe was published in the July 13, 2009 FR Notice (74 FR 33468). The Wilton Rancheria is located in Sacramento County in the State of California. After consultation with the Tribal governing body, the SDA

for the Wilton Rancheria was agreed upon. The purpose of this FR Notice is to notify the public that the IHS now administratively designates Sacramento County in the State of California as the Wilton Rancheria’s SDA. In California, Congress designated the entire state as a CHSDA, excluding certain counties (including Sacramento County) under section 810 of the Indian Healthcare Improvement Act, Public Law 94–437, as amended (25 U.S.C. 1680). The Director, IHS, may establish SDAs for the purpose of providing CHS for newly recognized/restored/reaffirmed Tribes that were not covered by Congress’ establishment of certain counties in California as a CHSDA. These SDAs may include all or part of counties that are not included in the Congressional establishment.

Under 42 CFR 136.23, eligible Indians who do not reside on a reservation, but reside within a CHSDA, must be either members of the Tribe or maintain close economic and social ties with the Tribe. In this case, the Tribe estimated the eligible user population to be 676 enrolled Wilton Miwok Rancheria Tribal members who are actively involved with the Tribe.

This notice does not contain reporting or recordkeeping requirements subject to prior approval by the Office of Management and Budget under the Paperwork Reduction Act of 1980.
