

public and affected agencies be given an opportunity to comment on information collection and recordkeeping activities (see 5 CFR 1320.8(d) and 1320.12(a)). This notice identifies an information collection that the BLM plans to submit to OMB for approval. The Paperwork Reduction Act provides that an agency may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. Until OMB approves a collection of information, you are not obligated to respond.

The BLM will request a 3-year term of approval for this information collection activity. Comments are invited on: (1) The need for the collection of information for the performance of the functions of the agency; (2) The accuracy of the agency's burden estimates; (3) Ways to enhance the quality, utility and clarity of the information collection; and (4) Ways to minimize the information collection burden on respondents, such as use of automated means of collection of the information. A summary of the public

comments will accompany our submission of the information collection requests to OMB.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

DEPARTMENT OF JUSTICE

[CPCLO Order No. 004-2013]

Privacy Act of 1974; System of Records

AGENCY: Executive Office for Organized Crime Drug Enforcement Task Forces (OCDETF), Department of Justice.

ACTION: Notice of a modified system of records.

SUMMARY: Pursuant to the Privacy Act of 1974, 5 U.S.C. 552a, and Office of Management and Budget (OMB) Circular No. A-130, notice is hereby given that the Department of Justice (Department or DOJ), Executive Office for OCDETF, proposes to amend an existing system of records notice (SORN) entitled, "Organized Crime Drug Enforcement Task Force Fusion Center and International Organized

Crime Intelligence and Operations Center System," JUSTICE/CRM-028, last published at 74 FR 26733, June 3, 2009. This amendment reflects a reorganization of the Department of Justice establishing the Executive Office for OCDETF as a new component and the resulting transfer of responsibility for this system of records from the Criminal Division to the Executive Office for OCDETF. Accordingly, the Executive Office for OCDETF is changing the system number from JUSTICE/CRM-028 to JUSTICE/OCDETF-002, and making revisions to reflect the Executive Office for OCDETF's own record-keeping practices and the overall modernization and technological changes of the system. Accordingly, this modified SORN will replace the SORN for JUSTICE/CRM-028. In addition, this amended SORN updates and modifies the previous SORN as follows: In the Categories of Individuals Covered by the System, a new category has been added for individuals who seek to or in fact do enter, exit, or transit the border of the United States and individuals

associated with any such travel, including owners/lessees of the conveyances used; the Categories of Records in the System includes additional examples of records that may be associated with this new category of individuals; Executive Office for OCDETF contact information has been updated; and various other minor revisions have been made.

DATES: In accordance with 5 U.S.C. 552a(e)(4) and (11), the public is given a 30-day period in which to comment. Therefore, please submit any comments by October 16, 2013.

ADDRESSES: The public, OMB, and Congress are invited to submit any comments to the Department of Justice, ATTN: Privacy Analyst, Office of Privacy and Civil Liberties, U.S. Department of Justice, National Place Building, 1331 Pennsylvania Avenue NW., Suite 1000, Washington, DC 20530-0001, or by facsimile to 202-307-0693.

FOR FURTHER INFORMATION CONTACT: Jill Aronica, Chief Information Systems Section, Executive Office for OCDETF, U.S. Department of Justice, 1331

SUPPLEMENTARY INFORMATION:

This system serves two primary purposes. The first is to facilitate the mission of the OCDETF Program, which is to reduce the illegal drug supply by identifying, disrupting, and dismantling the most significant international and domestic drug supply and money laundering organizations and related criminal operations (e.g., arms traffickers, alien smugglers, terrorists). The second purpose of this system is to facilitate the mission of the International Organized Crime Intelligence and Operations Center (IOC-2) and its member agencies to significantly disrupt and dismantle those international criminal organizations posing the greatest threat to the United States. Recognizing the demonstrated interrelationship between criminal organizations that engage in illicit drug trafficking (and related criminal activities) and those that engage in international organized crime, involving a broader variety of criminal activity, the IOC-2 and OCDETF formed a partnership to facilitate both OCDETF and IOC-2 mission needs by collocating multi-source criminal law enforcement and intelligence data for the compilation, fusion, storage, and comprehensive analysis of drug, international organized crime, financial, and related investigative information. Using this system, the OCDETF Fusion Center/IOC-2 develop investigative leads, operational intelligence products, and strategic intelligence assessments on new or evolving threats for dissemination as appropriate to cognizant law enforcement, regulatory, intelligence, and military agencies to assist them in enforcing criminal, civil, and regulatory laws related to drug trafficking, money laundering, firearms trafficking, alien smuggling, organized crime, terrorism, and other crimes, including the identification, apprehension, and prosecution of individuals who threaten the United States' national and international security interests through their involvement in such crimes.

Before the Executive Office for OCDETF became its own Department component, this system of records was exempted from certain provisions of the Privacy Act pursuant to 5 U.S.C. 552a(j)(2) and (k)(2). These exemptions are codified in the Code of Federal Regulations (CFR) section for exemptions of Criminal Division systems (28 CFR 16.91(u) and (v)). The Department is establishing a new CFR

section for exemptions of OCDETF systems (28 CFR 16.135) and redesignating the existing exemptions to be part of this new OCDETF section. In the meantime, the Department intends that the exemptions established in 28 CFR 16.91(u) and (v) will continue to apply to this system and all its records until 28 CFR 16.135 is effective.

In accordance with 5 U.S.C. 552a(r), the Department has provided a report to OMB and Congress on this modified system of records notice.

Dated: August 21, 2013.

Acting Chief Privacy and Civil Liberties Officer, United States Department of Justice.

PURPOSE(S):

This system serves two primary purposes. The first is to facilitate the mission of the OCDETF Program, which is to reduce the illegal drug supply by identifying, disrupting, and dismantling the most significant international and domestic drug supply and money laundering organizations and related criminal operations (e.g., arms traffickers, alien smugglers, terrorists). The second purpose of this system is to facilitate the mission of the International Organized Crime Intelligence and Operations Center (IOC–2) and its member agencies to significantly disrupt and dismantle those international criminal organizations posing the greatest threat to the United States. Recognizing the demonstrated interrelationship between criminal organizations that engage in illicit drug trafficking (and related criminal activities) and those that engage in international organized crime, involving a broader variety of criminal activity, the IOC–2 and OCDETF formed a partnership to facilitate both OCDETF and IOC–2 mission needs by collocating multi-source criminal law enforcement and intelligence data for the compilation, fusion, storage, and comprehensive analysis of drug, international organized crime, financial, and related investigative information. Using this system, the OCDETF Fusion Center/IOC–2 develop investigative leads, operational intelligence products, and strategic intelligence assessments on new or evolving threats for dissemination as appropriate to cognizant law enforcement, regulatory, intelligence, and military agencies to assist them in enforcing criminal, civil, and regulatory laws related to drug trafficking, money laundering, firearms trafficking, alien smuggling, organized crime, terrorism, and other crimes, including the identification,

apprehension, and prosecution of individuals who threaten the United States' national and international security interests through their involvement in such crimes.
