**Honey From the People's Republic of China: Final Results of Antidumping Duty Administrative Review; 2011-2012**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** On June 28, 2013, the Department of Commerce (the "Department") published the *Preliminary Results*<sup>1</sup> of the 2011-2012 administrative review of the antidumping duty order on honey from the People's Republic of China ("PRC"). The period of review ("POR") is December 1, 2011, through November 30, 2012. We gave interested parties an opportunity to comment on the *Preliminary Results*, but we received none. The final weighted-average dumping margin for the PRC-wide entity is listed in the "Final Results of Review" section below.

**DATES:** *Effective Date:* September 16, 2013.

**FOR FURTHER INFORMATION CONTACT:**

Emeka Chukwudebe, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0219.

**SUPPLEMENTARY INFORMATION:**

<sup>1</sup> See *Honey From the People's Republic of China: Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review; 2011-2012*, 78 FR 38941 (June 28, 2013), and accompanying Decision Memorandum ("*Preliminary Results*").

**Background**

On June 28, 2013, the Department published the *Preliminary Results*. We invited interested parties to comment on the *Preliminary Results*, but we received none. The Department has conducted this administrative review in accordance with section 751(a) of the Tariff Act of 1930, as amended ("the Act").

**Scope of the Order**

The products covered by the order are natural honey, artificial honey containing more than 50 percent natural honey by weight, preparations of natural honey containing more than 50 percent natural honey by weight and flavored honey. The subject merchandise includes all grades and colors of honey whether in liquid, creamed, comb, cut comb, or chunk form, and whether packaged for retail or in bulk form.

The merchandise subject to the order is currently classifiable under subheadings 0409.00.00, 1702.90.90, 2106.90.99, 0409.00.0010, 0409.00.0035, 0409.00.0005, 0409.00.0045, 0409.00.0056, and 0409.00.0065 of the Harmonized Tariff Schedule of the United States ("HTSUS"). Although the HTSUS subheadings are provided for convenience and customs purposes, the Department's written description of the merchandise under the order is dispositive.

Also included in the scope are blends of honey and rice syrup, regardless of the percentage of honey contained in the blend.

**PRC-Wide Entity**

In the *Preliminary Results*, the Department determined that 66 companies<sup>2</sup> failed to demonstrate their eligibility for a separate rate and were considered part of the PRC-wide entity.<sup>3</sup> After issuing the *Preliminary Results*, the Department did not receive any comments from interested parties. Because nothing has changed with respect to these companies since the *Preliminary Results*, we continue to find them to be part of the PRC-wide entity.

Additionally, we also stated that if our preliminary decision with respect to the U.S. importer Milky Way International Trading Co. (dba MW

<sup>2</sup> See Appendix.

<sup>3</sup> See *Preliminary Results*, and accompanying Decision Memorandum at 3 where the Department stated that while American Honey Producers Association and Sioux Honey Association ("Petitioners") withdrew their requests for review for 62 additional companies, those companies remain under review as part of the PRC-wide entity and the Department will make a determination with respect to the PRC-wide entity in the preliminary results and the final results.

Polar Foods) ("Milky Way") remains unchanged for the final results, we would refer the issue of Milky Way importing type 3 entries of subject merchandise as type 1 entries (*i.e.*, not subject to antidumping tariffs) to U.S. Customs and Border Protection ("CBP").<sup>4</sup> Because nothing has changed with respect to Milky Way, we intend to refer this issue to CBP upon issuance of these final results.

**Final Results of Review**

The Department has made no changes to the *Preliminary Results*. As a result of our review, we determine that the following dumping margin exists for the period December 1, 2011, through November 30, 2012:

Exporter	Margin (dollars per kilogram)
PRC-wide entity (which includes the companies listed in Appendix 1) .....	\$2.63

**Assessment**

Pursuant to section 751(a)(2)(C) of the Act, and 19 CFR 351.212(b)(1), the Department has determined, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise and deposits of estimated duties, where applicable, in accordance with the final results of this review. The Department intends to issue assessment instructions to CBP 15 days after the date of publication of these final results of review. The Department recently announced a refinement to its assessment practice in non-market economy ("NME") cases.<sup>5</sup> Pursuant to this refinement in practice, for entries that were not reported in the U.S. sales databases submitted by companies individually examined during this review, the Department will instruct CBP to liquidate such entries at the NME-wide rate. In addition, if the Department determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (*i.e.*, at that exporter's rate) will be liquidated at the NME-wide rate.<sup>6</sup>

**Cash Deposit Requirements**

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments
