The Maritime Transportation System National Advisory Council (MTSNAC) is an advisory committee established in accordance with the provisions of the Federal Advisory Committee Act (FACA) 5 U.S.C. App. 2 (Public Law 92–463) and the Energy Independence and Security Act of 2007 (Public Law 110–140). The MTSNAC advises, consults with, reports to, and makes recommendations to the Secretary on matters relating to the Marine Transportation System. Such matters may include, but are not limited to:

- Impediments that hinder the effective use and expansion of America’s Marine Highways, and the expanded use of the marine transportation system for freight and passengers;
- Waterways and ports, and their intermodal road, rail, and marine highway connections and actions required to meet current and future national transportation system integration needs;
- Strategy, policy and goals to ensure an environmentally responsible and safe system that improves the global competitiveness and national security of the U.S.;
- Guidelines for the development of a national freight policy from a marine transportation perspective; and
- Such other matters, related to those above, that the Secretary or sponsor may charge the Council with addressing.

The full council normally meets at least two to three times per fiscal year. The MTSNAC subcommittees may hold meetings and teleconferences more frequently, as needed. It may also meet for extraordinary purposes.

Application Request

If you are interested in applying to become a member of the Council, you may request an application by contacting the MTSNAC Designated Federal Officer [See the section entitled FOR FURTHER INFORMATION CONTACT listed above]. When requesting the application, please include your contact information so that we may send the application form to you. Once you have completed your application, send it to Mr. Richard Lolich, Designated Federal Officer (DFO) of the Marine Transportation System National Advisory Council in time for it to be received by MarAd on or before October 18, 2013.

DEPARTMENT OF TRANSPORTATION
Pipeline and Hazardous Materials Safety Administration
[Docket No. PHMSA–2013–0137]

Pipeline Safety: Information Collection Activities

AGENCY: Pipeline and Hazardous Materials Safety Administration (PHMSA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), this notice announces that the Information Collection Request (ICR) abstracted below is being forwarded to the Office of Management and Budget (OMB) for review and approval. A Federal Register Notice with a 60-day comment period soliciting comments on the following information collection was published on June 14, 2013, (78 FR 36016). PHMSA received one comment in response to that notice. PHMSA is publishing this notice to respond to the comment, provide the public with an additional 30 days to comment, and announce that the revised Information Collection will be submitted to the Office of Management and Budget (OMB) for approval.

ADDRESSES: Send comments regarding the burden estimate, including suggestions for reducing the burden, to OMB, Attention: Desk Officer for PHMSA, 725 17th Street NW., Washington, DC 20503.

DATES: Comments must be submitted on or before October 18, 2013.

FOR FURTHER INFORMATION CONTACT:

SUPPLEMENTARY INFORMATION: Section 1320.8(d), Title 5, Code of Federal Regulations requires PHMSA to provide interested members of the public and affected agencies an opportunity to comment on information collection and recordkeeping requests. This notice identifies an information collection request that PHMSA will be submitting to OMB for renewal and extension. This information collection is contained in the pipeline safety regulations at 49 CFR Parts 190–199.

Summary of Topic Comments/Responses

During the two-month response period for the information collection renewal, PHMSA received one comment from the Pipeline Safety Trust (PST). This 30-day notice responds to the comments, which may be found at http://www.regulations.gov, at docket number PHMSA–2013–0137. The following is a summary of the comment received:

Comment: The Pipeline Safety Trust (PST) believes that improvements are needed to the data collected by the NPMS. They point out, “The accuracy of the data is not high enough to adequately assist local communities who are planning or preparing for potential emergencies;” and suggest that PHMSA require, rather than suggest, NPMS data submissions be made annually. The PST also requests that PHMSA require data on pipelines that are in High Consequence Areas (HCAs) to be submitted at a greater degree of accuracy and recommends that PHMSA
the Department’s estimate of the burden of the proposed information collection; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology. A comment to OMB is most effective if OMB obtains it within 30 days of the date of publication in the Federal Register.

Issued in Washington, DC on September 12, 2013, under authority delegated in 49 CFR 1.97.

John A. Gale,
Director, Office of Standards and Rulemaking.
