

Total Estimated Number of Annual Burden Hours: 10,128.

Abstract: Enrollment in the Federal Student Aid (FSA) Student Aid Internet Gateway (SAIG) allows eligible entities to securely exchange Title IV, Higher Education Act (HEA) assistance programs data electronically with the Department of Education processors. Organizations establish Destination Point Administrators (DPAs) to transmit, receive, view and update student financial aid records using telecommunication software. Eligible respondents include the following, but are not limited to, institutions of higher education that participate in Title IV, HEA assistance programs, third-party servicers of eligible institutions, Guaranty Agencies, Federal Family Education Loan Program (FFELP) lenders, Federal Loan Servicers, local educational agencies (LEAs). The Enrollment Form for Post-Secondary Schools and Servicers represents the full complement of questions that must be presented for an organization enrolling in SAIG. The Enrollment Form for State Grant Agencies and the Enrollment Form for tracking Free Application for Federal Student Aid (FAFSA) Completion for Local Educational Agencies (LEAs) are a subset of selected questions (from the full complement of questions) to streamline the form for ease of use. The SAIG Application for State Grant Agencies Form was revised to create a two-part form. The first part is the SAIG Enrollment application and the second part is the new Participation Agreement which establishes the conditions under which the Department will permit the disclosure of certain data received or generated by the Department concerning FSA applicants. The Institutions, Third-Party Servicers, Guaranty Agencies, Federal Loan Servicers, Lenders Enrollment Form was revised to allow Lenders and their Servicers to enroll for COD Online access in order to receive completed electronic IBR/Pay As You Earn/ICR Repayment Request. Additionally, all forms were revised to accommodate annual rollover changes (i.e. new award years).
