§ 165.707-0956 Safety Zone; Annual Islamorada Swim for Alligator Lighthouse, Atlantic Ocean, Islamorada, FL.

(a) Regulated Area. The following regulated area is a moving safety zone: all waters extending 100 yards to either side of the race participants and safety vessels; extending 50 yards in front of the lead safety vessel preceding the first race participants; and extending 50 yards behind the safety vessel trailing the last race participants. The swimmers will begin at the beach at The Moorings yards behind the safety vessel trailing race participants; and extending 50 yards in front of the lead safety vessel preceding the first vessels; extending 50 yards in front of all waters extending 100 yards to either side of the race participants and safety vessels. The regulated area is a moving safety zone: and around Alligator Reef Lighthouse in approximate position 24°54′49″ N, 80°38′02″ W, and will move South approximately four miles to and around Alligator Reef Lighthouse in approximate position 24°51′05″ N, 80°37′07″ W, and back to origin. All coordinates are North American Datum 1983.

(b) Definition. The term “designated representative” means Coast Guard Patrol Commanders, including Coast Guard coxswains, petty officers, and other officers operating Coast Guard vessels, and Federal, state, and local officers designated by or assisting the Captain of the Port Key West in the enforcement of the regulated area.

(c) Regulations. (1) All persons and vessels are prohibited from entering, transiting through, anchoring in, or remaining within the regulated area unless authorized by the Captain of the Port Key West or a designated representative.

(2) Persons and vessels desiring to enter, transit through, anchor in, or remain within the regulated area may contact the Captain of the Port Key West by telephone at (305) 292–8272, or a designated representative via VHF radio on channel 16, to request authorization. If authorization to enter, transit through, anchor in, or remain within the regulated area is granted by the Captain of the Port Key West or a designated representative, all persons and vessels receiving such authorization must comply with the instructions of the Captain of the Port Key West or a designated representative.

(3) The Coast Guard will provide notice of the regulated area by Local Notice to Mariners, Broadcast Notice to Mariners, and on-scene designated representatives.

(d) Effective Date. This rule will be enforced from 8 a.m. until 2 p.m. on September 21, 2013.

J.W. Reed,
Commander, U.S. Coast Guard, Alternate Captain of the Port Key West.

[Docket No. USCG–2013–0800]

Safety Zone; Fireworks Event in Captain of the Port New York Zone

AGENCY: Coast Guard, DHS.

ACTION: Notice of enforcement of regulation.

SUMMARY: The Coast Guard will enforce a safety zone in the Captain of the Port New York Zone on the specified date and time. This action is necessary to ensure the safety of vessels and spectators from hazards associated with fireworks displays. During the enforcement period, no person or vessel may enter the safety zone without permission from the Captain of the Port (COTP).

DATES: The regulation for the safety zone described in 33 CFR 165.160 will be enforced on the date and time listed in the table below.

FOR FURTHER INFORMATION CONTACT: If you have questions on this notice, call or email Lieutenant Junior Grade Kimberly Beisner, Coast Guard; telephone 718–354–4163, email Kimberly.A.Beisner@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce the safety zone listed in 33 CFR 165.160 on the specified date and time as indicated in Table 1 below. This regulation was published in the Federal Register on November 9, 2011 (76 FR 69614).

Under the provisions of 33 CFR 165.160, a vessel may not enter the regulated area unless given express permission from the COTP or the designated representative. Spectator vessels may transit outside the regulated area but may not anchor, block, loiter in, or impede the transit of other vessels. The Coast Guard may be assisted by other Federal, State, or local law enforcement agencies in enforcing this regulation.

This notice is issued under authority of 33 CFR 165.160(a) and 5 U.S.C. 552 (a). In addition to this notice in the Federal Register, the Coast Guard will provide mariners with advanced notification of enforcement periods via the Local Notice to Mariners and marine information broadcasts. If the COTP determines that the regulated area need not be enforced for the full duration stated in this notice, a Broadcast Notice to Mariners may be used to grant general permission to enter the regulated area.

G. Loebl,
Captain, U.S. Coast Guard, Captain of the Port New York.

RIN 1625–AA00

Safety Zone; America’s Cup Aerobatic Box, San Francisco Bay, San Francisco, CA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing safety zones in the
Navigable waters of the San Francisco Bay near Pier 27 in San Francisco, CA in support of 2013 America’s Cup air shows. These safety zones are established to provide a clear area on the water for pilots to initiate maneuvers and also provide for the safety of pilots, spectators, and other vessels transiting the area in the unlikely event that an aircraft crashes during the air show. All persons or vessels are prohibited from entering the safety zones and all persons or vessels are prohibited from anchoring or otherwise loitering in the area during the scheduled events without the permission of the Captain of the Port or their designated representative.

DATES: This rule is effective as to persons with actual notice starting September 6, 2013. This rule is effective September 19, 2013, for purposes of 5 U.S.C. 552 enforcement. This rule will be in effect until September 23, 2013. This rule will be enforced on September 6, 2013 from 6 p.m. until 7 p.m., September 7, 2013 from 11:30 a.m. until 12:30 p.m., and any other time an air show event is scheduled to take place within the effective period as announced by America’s Cup Race Management.

A. Regulatory History and Information

On January 30, 2012, the Coast Guard published a notice of proposed rulemaking (NPRM) proposing to regulate the on-water activities associated with the “America’s Cup World Series” regattas in 2012 and the “Louis Vuitton Cup,” “Red Bull Youth America’s Cup,” and “America’s Cup Finals Match” scheduled to occur in July, August, and September, 2013 (77 FR 04501). After reviewing all comments received in response to the NPRM, the Coast Guard published a temporary final rule on July 17, 2012, that created a special local regulation (SLR) and safety zone, establishing regulated areas on the water to enhance safety and maximize access to the affected waterways during the America’s Cup sailing events (77 FR 41902).

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(d)(3), for the same reasons noted earlier, the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the Federal Register. The U.S. Coast Guard was notified on August 02, 2013 that America’s Cup Race Management (ACRM) was planning on conducting air shows in the navigable waters of the San Francisco Bay near Pier 27 on several days throughout the month of September, 2013. The America’s Cup air show activities would occur before the rulemaking process would be completed, and delaying the effective date of this rule to allow for a comment period would be both impracticable and contrary to the public interest because it would inhibit the Coast Guard’s ability to protect spectators and vessels from the hazards associated aircraft performing aerobatic maneuvers in the navigable waters of the San Francisco Bay near Pier 27. The safety zones are necessary to provide a clear area on the water for pilots to initiate maneuvers and also provide for the safety of pilots, spectators, and other vessels transiting the area in the unlikely event that an aircraft crashes during the air show. For the safety concerns noted, it is in the public interest to have these regulations in effect during the event.

B. Basis and Purpose

The legal basis for the proposed rule is 33 U.S.C. 1231; 46 U.S.C Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6, 160.5; Public Law 107–205, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1, which collectively authorize the Coast Guard to establish safety zones.

The Coast Guard has decided to establish safety zones in the navigable waters of the San Francisco Bay near Pier 27 in San Francisco, CA in support of America’s Cup air shows to mitigate the dangers posed by aircraft executing aerobatic maneuvers in the navigable waters of the San Francisco Bay near Pier 27.

C. Discussion of the Final Rule

The Coast Guard is establishing safety zones in the navigable waters of the San Francisco Bay near Pier 27 in San Francisco, CA during the America’s Cup air shows in September of 2013 to ensure the safety of pilots participating in the air shows and spectators viewing the air show from the water. The safety zones will be effective from September 6, 2013 to September 23, 2013.

The Coast Guard will enforce the safety zones on September 6, 2013 from 6 p.m. until 7 p.m., September 7, 2013 from 11:30 a.m. until 12:30 p.m., and any other time an air show event is scheduled to place within the effective period as announced by America’s Cup Race Management. The safety zones will encompass the navigable waters of the San Francisco Bay within a shape bounded by the following coordinates: 37°49′12″ N, 122°24′10″ W; 37°48′50″ N, 122°24′35″ W; 37°48′04″ N, 122°23′30″ W; 37°48′26″ N, 122°23′05″ W; thence back to the point of origin (NAD 83). At the conclusion of the scheduled events the safety zones shall terminate.

The effect of the safety zones will be to provide a clear area on the water for pilots to initiate maneuvers and also provide for the safety of pilots, spectators, and other vessels transiting the area in the unlikely event that an aircraft crashes during the air show. At the conclusion of the scheduled air shows, the safety zones shall terminate. Except for persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in safety zones.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on numerous statutes and executive orders.
1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders.

We expect the economic impact of this rule does not rise to the level of necessitating a full Regulatory Evaluation. The safety zone and no loitering area are limited in duration, and are limited to a narrowly tailored geographic area. In addition, although this rule restricts access to a small section of the waters encompassed by the safety zone, the effect of this rule will not be significant because the local waterway users will have access to the no loitering area during the event. The entities most likely to be affected are waterfront facilities, commercial vessels, and pleasure craft engaged in recreational activities.

2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule may affect owners and operators of waterfront facilities, commercial vessels, and pleasure craft engaged in recreational activities and sightseeing. The safety zones would not have a significant economic impact on a substantial number of small entities for the following reasons. The safety zones would be activated, and thus subject to enforcement, for a limited duration. When the safety zones are activated, vessel traffic could pass safely around the safety zone. The maritime public will be advised in advance of these safety zones via Broadcast Notice to Mariners.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule will affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the FOR FURTHER INFORMATION CONTACT, above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the FOR FURTHER INFORMATION CONTACT section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of $100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone of limited size and duration. This rule is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant
PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

2. Add temporary §165–T11–594 to read as follows:

§165–T11–594 Safety zone; America’s Cup Aerobatic Box, San Francisco Bay, San Francisco, CA

(a) Location. These temporary safety zones are established for the navigable waters of the San Francisco Bay near Pier 27 in San Francisco, CA as depicted in National Oceanic and Atmospheric Administration (NOAA) Chart 18650. The safety zone will encompass the navigable waters of the San Francisco Bay within a shape bounded by the following coordinates: 37°49′12″ N, 122°24′10″ W; 37°49′50″ N, 122°24′35″ W; 37°48′04″ N, 122°23′30″ W; 37°48′26″ N, 122°23′05″ W; thence back to the point of origin (NAD 83).

(b) Enforcement periods. This section will be enforced on September 6, 2013 from 6 p.m. until 7 p.m., September 7, 2013 from 11:30 a.m. until 12:30 p.m., and any other time an air show event is scheduled to take place within the effective period as announced by America’s Cup Race Management. This section will be in effect until September 23, 2013. The Captain of the Port San Francisco (COTP) will notify the maritime community of periods during which this zone will be enforced via Broadcast Notice to Mariners in accordance with 33 CFR 165.7 or via actual notice on-scene.

(c) Regulations. (1) The safety zone is closed to all persons and vessels.

(2) The public can contact Sector San Francisco Bay at (415) 399–3330 to obtain information concerning enforcement of this rule.

(d) Enforcement. All persons and vessels must comply with the instructions of the COTP or the designated on-scene patrol personnel. Patrol personnel comprise commissioned, warrant, and petty officers of the Coast Guard onboard Coast Guard, Coast Guard Auxiliary, local, state, and federal law enforcement vessels. The U.S. Coast Guard may be assisted in the patrol and enforcement of the safety zone by local law enforcement as necessary. Upon being hailed by U.S. Coast Guard patrol personnel by siren, radio, flashing light, or other means, the operator of a vessel must proceed as directed.

Gregory G. Stump,
Captain, U.S. Coast Guard, Captain of the Port San Francisco.

[Docket No. USCG–2012–0087]

Security Zone; Protection of Military Cargo, Captain of the Port Zone Puget Sound

AGENCY: Coast Guard, DHS.

ACTION: Notice of enforcement of regulation.

SUMMARY: The Coast Guard will enforce the Sitcum Waterway Security Zone in Commencement Bay, Tacoma, Washington from 6 a.m. on September 12, 2013 through 11:59 p.m. on September 20, 2013 unless cancelled sooner by the Captain of the Port. This action is necessary for the security of Department of Defense assets and military cargo in the navigable waters of Puget Sound and adjacent waters. Entry into this zone is prohibited unless otherwise exempted or excluded under 33 CFR 165.1321 or unless authorized by the Captain of the Port or Designated Representative.

DATES: The regulations in 33 CFR 165.1321 will be enforced from 6 a.m. on September 12, 2013 through 11:59 p.m. on September 20, 2013, unless cancelled sooner by the Captain of the Port.

FOR FURTHER INFORMATION CONTACT: If you have questions on this notice, call or email LTJG Johnny Zeng, Sector Puget Sound Waterways Management Division, Coast Guard; telephone 206–217–6051, email SectorPugetSound.WWM@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce the Sitcum Waterway Security Zone set forth in paragraph (c)(2) of 33 CFR 165.1321 on September 12, 2013 at 6:00 a.m. through 11:59 p.m. on September 20, 2013 unless cancelled sooner by the Captain of the Port or Designated Representative. Under the provisions of 33 CFR 165.1321, the Coast Guard published a final rule for the security of Department of Defense assets and military cargo in the navigable waters of Puget Sound and adjacent waters. The security zone will provide for the regulation of vessel traffic in the vicinity of military cargo loading facilities in the navigable waters of the United States. The security zones also exclude persons and vessels from the immediate vicinity of these facilities during military cargo loading and unloading operations. In addition, the regulation establishes requirements for all vessels to obtain permission of the COTP or Designated Representative, including the Vessel Traffic Service (VTS), to enter, move within, or exit these security zones when they are enforced. Entry into this zone is prohibited unless otherwise exempted or excluded under 33 CFR 165.1321 or unless authorized by the Captain of the Port or Designated Representative.

This notice is issued under authority of 33 CFR 165.1321 and 5 U.S.C. 552 (a). In addition to this notice in the Federal Register, the Coast Guard will provide the maritime community with notification of this enforcement period via marine information broadcasts and on-scene assets.

If the COTP determines that the regulated area need not be enforced for the full duration stated in this notice, a Broadcast Notice to Mariners may be used to grant general permission to enter the regulated area.

M.W. Raymond,
Captain, U.S. Coast Guard, Acting Captain of the Port, Puget Sound.
