10. Protection of Children From Environmental Health Risks

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

11. Indian Tribal Governments

This proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This proposed rule is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this proposed rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This proposed rule involves the establishment of a safety zone. This rule would be categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant Instruction. A preliminary environmental analysis checklist is in the docket where indicated under ADDRESSES. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

This action is necessary and intended to ensure safety of life on navigable waters during nighttime filming of a motion picture in Calumet Harbor. During the aforementioned period, the Coast Guard will enforce restrictions upon, and control movement of, vessels in a specified safety zone. During the enforcement period, no person or vessel may enter the safety zone without permission of the Captain of the Port, Lake Michigan.

DATES: The 33 CFR 165.T09–0676(a), Calumet Harbor, safety zone, will be enforced from 9 p.m. until 6 a.m., from September 15 through September 29, 2013.

accommodates the anticipated nighttime filming of a motion picture in the Calumet Harbor safety zone.

Specifically, this zone encompasses all waters of Lake Michigan, Calumet Harbor west of an imaginary line connecting 41°44′29.4″N, 087°31′33.9″W and 41°44′21″N, 087°31′47.12″W (NAD 83). This zone will be enforced from 9 p.m. until 6 a.m. during filming from September 15 through September 29, 2013. This notice does not impact or change the enforcement schedule published August 20, 2013, for the five safety zones in 33 CFR 165.T09–0676: from 6 a.m. to 9 p.m. on intermittent dates from August 20 through September 30, 2013.

This notice is issued under authority of 33 CFR 165.T09–0676 Safety Zone; Motion Picture Production; Chicago, IL, and 5 U.S.C. 552(a). As such, in addition to this notice in the Federal Register, the Coast Guard will provide the maritime community with advance notification of this event via Broadcast Notice to Mariners or Local Notice to Mariners. The Captain of the Port, Lake Michigan, or his on-scene representative may be contacted via VHF Channel 16.

On April 16, 2013, we published a notice in the Federal Register (78 FR 2247), which we corrected on April 30, 2013 (78 FR 25235), announcing additional topics for consideration for action by the negotiated rulemaking committee. The additional topics for consideration were cash management of funds provided under the title IV Federal Student Aid programs, State authorization for programs offered through distance education or correspondence education, State authorization for foreign locations of institutions located in a State, clock to credit hour conversion, gainful employment, changes to the campus safety and security reporting requirements in the Clery Act made by the VAWA (Pub. L. 113–4), and the definition of “adverse credit” for borrowers in the Federal Direct PLUS Loan Program.

We announced three public hearings at which interested parties could comment on the new topics suggested by the Department and suggest additional topics for consideration for action by the negotiating committee. On May 13, 2013, we announced in the Federal Register (78 FR 27880) the addition of a fourth hearing. The hearings were held on May 21, 2013, in Washington, DC; May 23, 2013, in Minneapolis, Minnesota; May 30, 2013, in San Francisco, California; and June 4, 2013, in Atlanta, Georgia. We also invited parties unable to attend a public hearing to submit written comments on the additional topics and to submit other topics for consideration. Transcripts from all six public hearings are available at http://www2.ed.gov/policy/highered/reg/hearulemaking/2012/index.html. Written comments submitted in response to the May 1, 2012, and April 16, 2013, notices may be viewed through the Federal eRulemaking Portal at www.regulations.gov. Instructions for finding comments are available on the site under “How to Use Regulations.gov” in the Help section. Individuals can enter docket ID ED–2012–OPE–0008 in the search box to locate the appropriate docket.

On June 12, 2013, while we continued to review the testimony offered at the public hearings and the comments submitted through the public comment process regarding other proposed rulemaking topics, we announced our intention to establish a negotiated rulemaking committee to prepare proposed regulations to establish standards for programs that prepare students for gainful employment in a recognized occupation (78 FR 35179).
