

public procedure thereon are impracticable, unnecessary, or contrary to the public interest. 5 U.S.C. 553(b)(B).

There is good cause here for waiving rulemaking under the APA. Notice and comment to amend current § 668.71 and to remove § 668.75 are unnecessary because we are merely amending these sections consistent with the D.C. Circuit's decision in *Association of Private Sector Colleges and Universities v. Duncan*.

For the same reasons, the Secretary has decided to waive the 30-day delay in the effective date of these regulatory changes under 5 U.S.C. 553(d)(3) and determined, under section 492(b)(2) of the HEA, 20 U.S.C. 1098a(b)(2), that these regulations should not be subject to negotiated rulemaking.
