FEDERAL RETIREMENT THRIFT INVESTMENT BOARD

5 CFR Parts 1651 and 1690

Implementation of *United States v. Windsor*

AGENCY: Federal Retirement Thrift Investment Board.

ACTION: Interim final rule with request for comments.

SUMMARY: The Federal Retirement Thrift Investment Board (FRTIB) is revising its regulations to provide that the FRTIB will look to the laws of the jurisdiction of celebration to determine whether a Thrift Savings Plan participant is married.

DATES: This interim final rule is effective September 20, 2013. Comments should be received on or before October 21, 2013.

ADDRESSES: You may submit comments using one of the following methods:

- *Mail:* Office of General Counsel, Attn: James B. Petrick, Federal Retirement Thrift Investment Board, 77 K Street NE., Washington, DC 20002.

SUPPLEMENTARY INFORMATION: The FRTIB administers the Thrift Savings Plan (TSP), which was established by the Federal Employees' Retirement System Act of 1986 (FERSA), Public Law 99-335, 100 Stat. 514. The TSP provisions of FERSA are codified, as

amended, largely at 5 U.S.C. 8351 and 8401-79. The TSP is a tax-deferred retirement savings plan for Federal civilian employees and members of the uniformed services. The TSP is similar to cash or deferred arrangements established for private-sector employees under section 401(k) of the Internal Revenue Code (26 U.S.C. 401(k)).

Section 3 of the Defense of Marriage Act (codified at 1 U.S.C. 7) provided that, when used in a Federal law, the term "marriage" would mean only a legal union between one man and one woman as husband and wife, and that the term "spouse" referred only to a person of the opposite sex who is a husband or a wife. The U.S. Supreme Court recently held in *United States v. Windsor* that section 3 of the Defense of Marriage Act is unconstitutional. *Windsor* requires the FRTIB to defer to state law in determining the marital status of TSP participants.

The FRTIB anticipates conflicting state laws. For example, a same-sex couple might get married in a state that permits same-sex marriage and then move to a state that does not recognize same-sex marriages performed in other states or foreign countries. Whether that couple is married for TSP purposes will hinge on whether the FRTIB looks to the laws of the jurisdiction of celebration (*i.e.*, the jurisdiction in which the marriage was initially established) or the laws of the participant's state of domicile.

The TSP has one existing choice-of-law provision pertaining to marriage. It is found in 5 CFR 1651.5(a), and says that the state law of the participant's domicile will be used to determine whether a participant was married for purposes of distributing death benefits from his or her TSP account.

The FRTIB is required by statute to administer the Thrift Savings Plan solely in the interest of its participants and beneficiaries and for the exclusive purposes of (1) providing benefits to participants and their beneficiaries, and (2) defraying the reasonable expenses of administering the Thrift Savings Fund. 5 U.S.C. 8477(b)(1)(A). Section 1651.5(a) prohibits the FRTIB from offering certain TSP benefits to the same-sex spouses of participants who are domiciled in states that do not recognize same-sex marriages performed in other states or foreign countries. The current choice-of-law is detrimental to a

population of TSP participants and does not serve to defray the expenses of administering the Thrift Savings Fund. Therefore, the FRTIB is revising its regulations to provide that the FRTIB will look to the jurisdiction of celebration to determine a participant's marital status. The FRTIB will adopt a final rule after consideration of public comments on this interim rule.

Interim Final Rule and Request for Comments

Under section 553(b) of the Administrative Procedure Act (APA) (5 U.S.C. 551 *et seq.*) a general notice of proposed rulemaking is not required when an agency, for good cause, finds that notice and public comment thereon are impracticable, unnecessary, or contrary to the public interest. The FRTIB has determined that immediate action is necessary to allow the FRTIB to implement *United States v. Windsor* in a manner that comports with its statutory obligation to administer the Thrift Savings Plan solely in the interest of its participants and beneficiaries to the extent consistent with Chapter 5 of the United States Code.

The FRTIB encourages public comments on this interim final rule. The FRTIB will adopt a final rule after consideration of public comments on this interim rule.

Regulatory Flexibility Act

I certify that this regulation will not have a significant economic impact on a substantial number of small entities. This regulation will affect Federal employees and members of the uniformed services who participate in the Thrift Savings Plan, which is a Federal defined contribution retirement savings plan created under the Federal Employees' Retirement System Act of 1986 (FERSA), Public Law 99-335, 100 Stat. 514, and which is administered by the FRTIB. It will also affect spouses, former spouses, children, and dependents of TSP participants.

Paperwork Reduction Act

I certify that these regulations do not require additional reporting under the criteria of the Paperwork Reduction Act.

Unfunded Mandates Reform Act of 1995

Pursuant to the Unfunded Mandates Reform Act of 1995, 2 U.S.C. 602, 632, 653, 1501-1571, the effects of this

regulation on state, local, and tribal governments and the private sector have been assessed. This regulation will not compel the expenditure in any one year of \$100 million or more by state, local, and tribal governments, in the aggregate, or by the private sector. Therefore, a statement under § 1532 is not required.

Submission to Congress and the General Accounting Office

Pursuant to 5 U.S.C. 810(a)(1)(A), the FRTIB submitted a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States before publication of this rule in the **Federal Register**. This rule is not a major rule as defined at 5 U.S.C. 804(2).

RIN 2120–AA64

Airworthiness Directives; Airbus Airplanes

AGENCY: Federal Aviation Administration (FAA), Department of Transportation (DOT).

ACTION: Final rule.

SUMMARY: We are adopting a new airworthiness directive (AD) for certain Airbus Model A330–200, –200 Freighter, and –300 series airplanes. This AD was prompted by a report that a certain wire harness located in the tail cone has wiring of a narrower gauge than design requires. This AD requires replacing the affected wire harness. We are issuing this AD to prevent damage to the affected wiring, which could create an ignition source in an area that might contain fuel vapors, possibly

resulting in an uncontrolled fire and subsequent loss of the airplane.

DATES: This AD becomes effective October 25, 2013.

The Director of the Federal Register approved the incorporation by reference of a certain publication listed in this AD as of October 25, 2013.

ADDRESSES: You may examine the AD docket on the Internet at <http://www.regulations.gov> or in person at the U.S. Department of Transportation, Docket Operations, M–30, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue SE., Washington, DC.

SUPPLEMENTARY INFORMATION:

Discussion

We issued a notice of proposed rulemaking (NPRM) to amend 14 CFR part 39 to include an AD that would apply to the specified products. The NPRM published in the **Federal Register** on June 21, 2013 (78 FR 37498). The NPRM proposed to correct an unsafe condition for the specified products.

The European Aviation Safety Agency (EASA), which is the Technical Agent for the Member States of the European Community, has issued EASA Airworthiness Directive 2012–0182, dated September 11, 2012 (referred to after this as the Mandatory Continuing Airworthiness Information, or “the MCAI”), to correct an unsafe condition for the specified products. The MCAI states:

On a production aeroplane, it has been discovered that wires in harness 5877VB, installed in the Tail Cone (Section 19.1) and connected to the Auxiliary Power Unit starter, have a section smaller [narrower] than required by design. Section 19 is a flammable fluid leakage zone, adjacent to a fuel tank (trim tank) and is open with Section
