Rural Housing Service

Title: 7 CFR 1980-D, Rural Housing Loans.

OMB Control Number: 0575-0078.

Summary of Collection: The Rural Housing Service (RHS) is a credit agency for Rural Development for the U.S. Department of Agriculture. Section 517(d) of Title V of the Housing Act of 1949, as amended, (Act) provides the authority for the Secretary of Agriculture to issue loan guarantees for the acquisition of new or existing dwellings and related facilities to provide decent, safe, and sanitary living conditions and other structures in rural areas. The Act also authorizes the Secretary to pay the holder of a guaranteed loan the difference between the rate of interest paid by the borrower and the market rate of interest.

Congress passed Public Law 111-212, Supplemental Disaster Relief and Summer Jobs Act of 2010 which authorized the Agency to assess an annual fee in an effort to maintain a budget-neutral loan program. Effective in fiscal year 2011, the Agency began assessing an annual fee against newly closed guaranteed loans. The program introduced an electronic method for lenders to pay the annual fee through the Guaranteed Annual Fee (GAF) system. This new Web-based system allows loan servicers to authorize pre-authorized debit (PAD) payments as well as review annual fee advance notice, billing, and payment reconciliation details for guaranteed loans that they service.

Need and Use of the Information: Information collected is used to determine if borrowers qualify for all assistance. Eligibility for this program includes very low, low, and moderate-income families or persons whose income does not exceed 115 percent of the median income for the area. The information requested by RHS includes borrower financial information such as household income, assets and liabilities, and monthly expenses. Information requested on lenders is required to ensure lenders are eligible to participate in the GRH program and are in

compliance with OMB Circular A-129. If the information collected was less frequent or not at all, the agency could not effectively monitor lenders and assess the program.

Description of Respondents:

Individuals or households; Business or other for-profit.

Number of Respondents: 154,197.

Frequency of Responses: Reporting: Monthly; On occasion.

Total Burden Hours: 880,796.

Charlene Parker,

Departmental Information Collection Clearance Officer.
