

collected on the HUD 4731, Federal Labor Standard Complaint Intake form, will be used by HUD and agencies administering HUD programs to collect information from complainants alleging violations of Federal labor standards on HUD assisted projects. The information collected is primarily used in the conduct of investigations into the allegations. Generally, enforcement actions, including investigations, are geared to the respondent's benefit, that

is, to determine whether the respondent was underpaid and to ensure the payment of wage restitution to the respondent, if so. These forms have been crafted to focus on essential information, to make it easy to read and complete, and to best capture the information needed for HUD to competently enforce Federal labor standards and to protect workers' rights to prevailing wages.

Estimated Number of Respondents: 2,000.

Estimated Number of Responses: 2,000.

Frequency of Response: 1. Average Hours per Response: .5. Total Estimated Burdens: 1,000. Note: Preparer of this notice may substitute the chart for everything beginning with estimated number of respondents above:
