SUMMARY: The NCUA intends to submit the following information collection to the Office of Management and Budget (OMB) for review and clearance under the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. Chapter 35). This information collection is published to obtain comments from the public. Part 712 of the NCUA Rules and Regulations implements authority in the Federal Credit Union Act relating to federal credit union (FCU) lending or investment activity with credit union service organizations (CUSOs). The rule addresses NCUA's safety and soundness concerns for activities conducted by CUSOs and imposes certain recordkeeping obligations on FCUs that have relations with or conduct operations through CUSOs. The rule also imposes regulatory limits on the ability of FCUs to recapitalize their CUSOs in certain circumstances. Although the CUSO rule generally only applies to FCUs, the rule extends to all federally insured credit unions the provisions ensuring that credit union regulators have access to books and records and that CUSOs are operated as separate legal entities; however, the rule also contains a procedure through which state regulators may seek an exemption from the access to records provisions for credit unions in their state. NCUA has no direct regulatory authority over CUSOs.
