

(b) The employer must ensure that these welders:

(i) Are familiar with the weld grades, types, and materials specified in the design of the system; and

(ii) Perform the welding tasks in accordance with 29 CFR part 1926, subpart J (“Welding and Cutting”).

20. OSHA Notification

(a) To assist OSHA in administering the conditions of this variance, the employer must exercise due diligence in notifying the Office of Technical Programs and Coordination Activities (OTPCA) at OSHA’s national headquarters, or the appropriate State-Plan Office, of:

(i) Any chimney-related construction operation using the conditions specified herein, including the location of the operation and the date the operation will commence, at least 15 calendar days prior to commencing the operation;

(ii) Any emergency operation or short-notice project using the conditions specified herein, and when 15 days are not available before start of work, as soon as possible after the employer knows when the operation will commence. This information must include the location and date of the operation;

(b) The employer can notify OTPCA at OSHA’s national headquarters of pending chimney-related construction operations by:

- (i) Telephone at 202 639–2110;
- (ii) Facsimile at 202 693–1644; or
- (iii) Email at VarianceProgram@dol.gov

(c) To assist OSHA in administering the conditions of this variance, the employer must exercise due diligence by informing OTPCA at OSHA’s national headquarters as soon as possible after it has knowledge that it will:

- (i) Cease to do business;
- (ii) Change the location and address of the main office for managing the activities covered by this variance; or
- (iii) Transfer the activities covered by this variance to a successor company.

(d) OSHA must approve the transfer of this variance to a successor company.
