In order to ensure the timely receipt and consideration of comments, USTR strongly encourages commenters to make on-line submissions via <http://www.regulations.gov>. "The <http://www.regulations.gov> Web site offers the option of providing comments by filling in a "Type Comment" field or by attaching a document using the "Upload file(s)" field. We expect that most submissions will be provided in an attached document. If a document is attached, it is sufficient to type "See attached" in the "Type Comment" field.

Submissions in Microsoft Word (.doc) or Adobe Acrobat (.pdf) are preferred. If an application other than those two is used, please identify in your submission the specific application used. For any comments submitted electronically containing business confidential information, the file name of the business confidential version should begin with the characters "BC" and must be submitted separately from the public version. Any page containing business confidential information must be clearly marked "BUSINESS CONFIDENTIAL" on the top of that page. If you file comments containing business confidential information you must also submit a public version of the comments under a separate submission. The file name of the public version should begin with the character "P". The "BC" and "P" should be followed by the name of the person or entity submitting the comments. If you submit comments that contain no business confidential information, the file name should begin with the name of the person or entity submitting the comments. Electronic submissions should not attach separate cover letters; rather, information that might appear in a cover letter should be included in the comments you submit. Similarly, to the extent possible, please include any exhibits, annexes, or other attachments to a submission in the same file as the submission itself and not as separate files.

We strongly urge submitters to use electronic filing. If an on-line submission is impossible, alternative arrangements must be made with Mr. Eiss prior to delivery for the receipt of such submissions. Mr. Eiss may be contacted at (202) 395-3475.
