*Title:* Annual Survey of U.S. Direct Investment Abroad.

*OMB Control Number:* 0608-0053.

*Form Number:* BE-11.

The survey is a sample survey that covers all foreign affiliates above a size-exemption level and their U.S. parents. The data are needed to measure the size and economic significance of direct investment abroad, measure changes in such investment, and assess its impact on the U.S. and foreign economies.

The data from the survey are primarily intended as general purpose statistics. They should be readily available to answer any number of research and policy questions related to U.S. direct investment abroad.
