Effective 10/01/2013, small businesses employing military reservists may apply for economic injury disaster loans if those employees are called up to active duty during a period of military conflict or have received notice of an expected call-up, and those employees are essential to the success of the small business daily operations.

These loans are intended only to provide the amount of working capital needed by a small business to pay its necessary obligations as they mature until operations return to normal after the essential employee is released from active duty.
