ACTION: Notice.

SUMMARY: The Centers for Medicare & Medicaid Services (CMS) is announcing an opportunity for the public to comment on CMS' intention to collect information from the public. Interested persons are invited to send comments regarding the burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) the necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

DATES: Comments on the collection(s) of information must be received by the OMB desk officer by **November 21, 2013**.

ADDRESSES: When commenting on the proposed information collections, please reference the document identifier or OMB control number. To be assured consideration, comments and recommendations must be received by the OMB desk officer via one of the following transmissions: OMB, Office of Information and Regulatory Affairs, Attention: CMS Desk Officer, Fax Number: (202) 395–6974 or Email: OIRA_submission@omb.eop.gov.

1. Access CMS' Web site address at <http://www.cms.hhs.gov/PaperworkReductionActof1995>.
2. Email your request, including your address, phone number, OMB number, and CMS document identifier, to Paperwork@cms.hhs.gov.

FOR FURTHER INFORMATION CONTACT: Reports Clearance Office at (410) 786-1326

SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3520), federal Agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires federal agencies to publish a 30-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. *Type of Information Collection Request:* New collection; *Title of Information Collection:* Health Care Sharing Ministries Information Collection; *Use:* In order to facilitate the provision of an exemption for membership in a health care sharing

ministry to the members of such ministry, we specify in Sec. 155.615(c)(2) that an organization that believes that it meets the statutory standards to be considered a health care sharing ministry will submit certain information to HHS. We are aware of four organizations that have made public statements regarding their status as a health care sharing ministry, and so have estimated burden for four entities. The burden associated with this process includes the time for the organization to collect and input the necessary information, maintain a copy for recordkeeping by clerical staff, for a manager and legal counsel to review it and for a senior executive to review and sign it. The information would be submitted to CMS electronically at minimal cost. *Form Number:* CMS-10486 (OCN: 0938-NEW); *Frequency:* Once, Yearly; *Affected Public:* Private sector—Not-for-profit institutions; *Number of Respondents:* 4; *Total Annual Responses:* 4; *Total Annual Hours:* 4.25. (For policy questions regarding this collection contact Zach Baron at 301-492-4478.)

Dated: September 30, 2013.

The PREP Multi-Component Evaluation contains three components: The "Design and Implementation Study," the "Performance Analysis Study," and the "Impact and In-Depth Implementation Study." Previously approved data collection efforts for each of the three components can be found on reginfo.gov. This notice is specific to data collection activities for the implementation portion of the Design and Implementation Study.

In order to meet this goal, both State PREP Administrators and a selection of sub-awardee program providers, across the nation, will be interviewed. The interviews will be used to understand important aspects of implementation, such as training, technical assistance and program fidelity monitoring.
