from Japan,\(^2\) antidumping duties would not be applied to CNRL’s subject merchandise under current law and practice. Accordingly, we will instruct CBP to liquidate the entries at issue without regard to antidumping duties.

**Assessment Rates**

In accordance with the Final Modification,\(^3\) the Department will instruct U.S. Customs and Border Protection (CBP) to liquidate entries for AMTP without regard to antidumping duties.

Because we found that CNRL did not sell subject merchandise to an unaffiliated customer in the United States, or to unaffiliated customers for exportation to the United States, but exported all the subject merchandise back to CNRL in Canada, we will instruct CBP to liquidate its entries covered by this review without regard to antidumping duties.

The Department clarified its “automatic assessment” regulation on May 6, 2003. This clarification will apply to entries of subject merchandise during the POR produced by AMTP for which it did not know its merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction. For a full discussion of this clarification, see Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties, 68 FR 23954 (May 6, 2003).

We intend to issue instructions to CBP 15 days after publication of the final results of this review.

**Cash Deposit Requirements**

The following deposit requirements will be effective upon publication of this notice of final results of administrative review for all shipments of certain small diameter carbon and alloy seamless standard, line and pressure pipe from Romania entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided for convenience and customs purposes, the written product description remains dispositive.

A full description of the scope of the order is contained in the memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations to Paul

Partial Rescission of the Administrative Review

Pursuant to 19 CFR 351.213(d)(1), we are rescinding this administrative review with respect to Weixi because the review request was timely withdrawn.

Methodology

The Department has conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, i.e., a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.1 In making these findings, we have relied, in part, on facts available and, because one or more respondents did not act to the best of their ability to respond to the Department’s requests for information, we have drawn an adverse inference in selecting from among the facts otherwise available.2 Finally, we were not able to make a preliminary determination of countervailability for one program because we require further information.3 We intend to seek that information and address the program in a post-preliminary analysis prior to our final results.

Preliminary Results of the Review

As a result of this review, we preliminarily determine a net subsidy rate of 8.52 percent for NKS for the period January 1, 2011, through December 31, 2011. Assessment Rates

For Weixi, countervailing duties shall be assessed at rates equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2011, through December 31, 2011, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to U.S. Customs and Border Protection (CBP) 15 days after publication of this notice. For NKS, we intend to issue instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Instructions

The Department also intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amount shown above for NKS. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Disclosure and Public Comment

The Department will disclose to parties to this proceeding the calculations performed in reaching the preliminary results within five days of the date of publication of these preliminary results.4 Due to the Department’s intention to release a post-preliminary analysis memorandum, interested parties may submit written comments (case briefs) no later than one week after the issuance of that memorandum and rebuttal comments (rebuttal briefs) within five days after the time limit for filing case briefs. Pursuant to 19 CFR 351.309(d)(2), rebuttal briefs must be limited to issues raised in the case briefs. Parties who submit arguments are requested to submit with the argument: (1) A statement of the issue; and (2) a brief summary of the argument; and (3) a table of authorities.

Interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Import Administration, U.S. Department of Commerce within 30 days after the date of publication of this notice.5 Requests should contain the party’s name, address, and telephone number, the number of participants, and a list of the issues to be discussed. If a request for a hearing is made, we will inform parties of the scheduled date for the hearing which will be held at the U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230, at a time and location to be determined.6 Parties should confirm by telephone the date, time, and location of the hearing.

Parties are reminded that briefs and hearing requests are to be filed electronically using IA ACCESS and that electronically filed documents must be received successfully in their entirety by 5:00 p.m. Eastern Time on the due date.

Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act, the Department will issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in their comments, within 120 days after issuance of those preliminary results.

This administrative review and notice are issued and published in accordance with sections 751(a)(1) and 777(f) of the Act and 19 CFR 351.213.

Paul Piquado,
Assistant Secretary for Import Administration.
