preparation and review process for 510(k).

Under § 807.90, submitters may request information on their 510(k) review status 90 days after the initial login date of the 510(k). Thereafter, the submitters may request status reports every 30 days following the initial status request. To obtain a 510(k) status report, the submitter should complete the status request form, Form FDA 3541, and fax it to the Center for Devices and Radiological Health office identified on the form. The most likely respondents to this information collection will be specification developers and medical device manufacturers.

In the Federal Register of July 23, 2013 (78 FR 44130), FDA published a 60-day notice requesting public comment on the proposed collection of information. No comments were received.
