DEPARTMENT OF DEFENSE

Office of the Secretary

Science and Technology Reinvention Laboratory Personnel Management Demonstration Project, Department of Navy, Office of Naval Research (ONR); Amendment and Corrections

AGENCY: Deputy Assistant Secretary of Defense for Civilian Personnel Policy, (DASSO (CPP)), Department of Defense (DoD).

ACTION: Notice of Amendment and Administrative Corrections to the ONR Personnel Management Demonstration Project (75 FR 77380–77447, December 10, 2010).

SUMMARY: On December 10, 2010 (75 FR 77380–77447), DoD published a notice of approval of a personnel management demonstration project for eligible ONR employees. Within that notice, there were several typographical errors discovered. Additionally, after the publication of the notice and implementation of the demonstration project, ONR determined that for effective personnel management practices, amendments need to be made to provide better consistency in the use of the extended probationary periods for newly hired employees, and to more thoroughly cite the waivers to regulations required to apply these extended probationary periods. Amendments must also be made to better define minimally successful performance for assignments involving displacement, and to remove the requirement that advancements in certain Pay Bands need Executive Director’s approval. This notice provides the final amendment to the demonstration project plans.

DATES: This amendment may be implemented beginning on the date of publication of this Federal Register notice.
