schedule for the conduct of the subject investigation (78 FR 45068, July 30, 2013). The Commission did not operate between October 1, 2013 and October 16, 2013 because of a lack of appropriations. On October 21, 2013 the Commission issued a notice stating that statutory deadlines would be tolled by this disruption in its operations. The Commission, therefore, is revising its schedule to conform to the revised statutory deadlines.

The Commission’s new schedule for the review is as follows: Requests to appear at the hearing must be filed with the Secretary to the Commission not later than November 13, 2013; the prehearing conference will be held at the U.S. International Trade Commission Building at 9:30 a.m. on November 15, 2013; the prehearing staff report will be placed in the nonpublic record on November 7, 2013; the deadline for filing prehearing briefs is November 14, 2013; the hearing will be held at the U.S. International Trade Commission Building at 9:30 a.m. on November 21, 2013; the deadline for filing posthearing briefs is November 27, 2013; the Commission will make its final release of information on December 5, 2013; and final party comments are due on December 9, 2013.

For further information concerning this investigation see the Commission’s notice cited above and the Commission’s Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

Authority: This investigation is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.21 of the Commission’s rules.

Issued: October 24, 2013.
By order of the Commission.

Lisa R. Barton.
Acting Secretary to the Commission.

[FR Doc. 2013–25576 Filed 10–28–13; 8:45 am]
briefing responsive to the Commission’s request on August 30, 2013. Each proposed a limited exclusion order directed to the accused products of respondents Yiwu, Guangzhou Pengcheng, and T-Tech. Complainants stated that they do not seek entry of cease and desist orders against any of the defaulting respondents. The IA recommended allowing entry by all of the defaulting respondents under a bond of 100 percent of the entered value during the period of Presidential review. Complainants requested a bond of 100 percent against respondent T-Tech, but argued that respondents Yiwu and Guangzhou Pengcheng not be allowed to import any of their infringing products during the period of Presidential review because they were found in default under section 337(g)(1). In the alternative, Complainants requested that the Commission set a bond of 100 percent of the entered value against respondents Yiwu and Guangzhou Pengcheng. On September 6, 2013, Complainants and the IA submitted reply submissions. The Commission finds that the statutory requirements of section 337(g) (19 U.S.C. 1337(g)) is met with respect to respondents Yiwu and Guangzhou Pengcheng. Accordingly, pursuant to section 337(g)(1) (19 U.S.C. 1337(g)(1)) and Commission rule 210.16(c) (19 CFR 210.16(c)), the Commission presumes the facts alleged in the complaint to be true and finds that Yiwu and Guangzhou Pengcheng are in violation of section 337. The Commission further finds that T-Tech is in violation of section 337 pursuant to section 210.17 of the Commission’s Rules of Practice and Procedure (19 CFR 210.17), which states that a failure to participate in an investigation may provide a basis for a finding of violation of section 337 under section 337(d)(1) (19 U.S.C. 1337(d)(1)). The Commission has determined that the appropriate form of relief in this investigation is a limited exclusion order prohibiting the unlicensed entry of certain ink application devices and components thereof that are manufactured abroad by or on behalf of, or imported by or on behalf of, respondents Yiwu and T-Tech by reason of infringement of one or more of claims 1–3, 7, 8, 19, and 20 of the ’530 patent. The Commission has also determined to issue a limited exclusion order prohibiting the unlicensed entry of certain ink application devices and components thereof that are manufactured abroad by or on behalf of, or imported by or on behalf of, respondents Yiwu and Guangzhou Pengcheng by reason of infringement of one or more of 1–3, 7, 12 and 16–20 of the ’530 patent and claims 1–4, 10, 12–14, 21–23, and 26–28 of the ’553 patent. The Commission has further determined that the public interest factors enumerated in section 337(g)(1) (19 U.S.C. 1337(g)(1)) and section 337(d)(1) (19 U.S.C. 1337(d)(1)) do not preclude issuance of the limited exclusion order. Finally, the Commission has determined that the bond for importation during the period of Presidential review shall be in the amount of 100 percent of the entered value of the imported subject articles of all defaulting respondents. The Commission’s order was delivered to the President and the United States Trade Representative on the day of its issuance.

Dated: October 23, 2013.

By order of the Commission.

Lisa R. Barton,
Acting Secretary to the Commission.
