briefing responsive to the Commission’s request on August 30, 2013. Each
proposed a limited exclusion order directed to the accused products of
respondents Yiwu, Guangzhou Pengcheng, and T-Tech. Complainants
stated that they do not seek entry of cease and desist orders against any of
the defaulting respondents. The IA recommended allowing entry by all of
the defaulting respondents under a bond of 100 percent of the entered
value during the period of Presidential review. Complainants requested a bond of 100
percent against respondent T-Tech, but argued that respondents Yiwu and
Guangzhou Pengcheng not be allowed to import any of their infringing products
during the period of Presidential review because they were found in default
under section 337(g)(1). In the alternative, Complainants requested that the
Commission set a bond of 100 percent of the entered value against respondents Yiwu and
Guangzhou Pengcheng. On September 6, 2013, Complainants and the IA submitted
reply submissions.

The Commission finds that the statutory requirements of section 337(g)
(19 U.S.C. 1337(g)) is met with respect to respondents Yiwu and Guangzhou
Pengcheng. Accordingly, pursuant to section 337(g)(1) (19 U.S.C. 1337(g)(1)) and
Commission rule 210.16(c) (19 CFR 210.16(c)), the Commission presumes
the facts alleged in the complaint to be true and finds that Yiwu and
Guangzhou Pengcheng are in violation of section 337. The Commission further
finds that T-Tech is in violation of section 337 pursuant to section 210.17
of the Commission’s Rules of Practice and Procedure (19 CFR 210.17), which
states that a failure to participate in an investigation may provide a basis for a
finding of violation of section 337 under section 337(d)(1) (19 U.S.C. 1337(d)(1)).

The Commission has determined that the appropriate form of relief in this
investigation is a limited exclusion order prohibiting the unlicensed entry of
claim devices and components thereof that are
manufactured abroad by or on behalf of,
imported by or on behalf of, respondents Yiwu and T-Tech by reason of infringement of one or more of
1–3, 7, 8, 19, and 20 of the ’530 patent. The
Commission has also determined to issue a limited exclusion order
prohibiting the unlicensed entry of certain ink application devices and
components thereof that are
manufactured abroad by or on behalf of,
imported by or on behalf of, respondents Yiwu and
Guangzhou Pengcheng by reason of infringement of one or more of
1–3, 7–12 and 16–20 of the ’530 patent
to respondents Yiwu, Guangzhou
Pengcheng, and T-Tech. Complainants
stated that they do not seek entry of
cease and desist orders against any of
the defaulting respondents. The IA
recommended allowing entry by all of
the defaulting respondents under a bond
of 100 percent of the entered value
during the period of Presidential
review. Complainants requested a bond
of 100 percent against respondent
T-Tech, but argued that respondents
Yiwu and Guangzhou Pengcheng not be allowed to import any of their infringing
products during the period of Presidential
review because they were found in default
under section 337(g)(1). In the alternative, Complainants requested that the
Commission set a bond of 100 percent of the entered value against respondents
Yiwu and Guangzhou Pengcheng. On September 6, 2013, Complainants and the IA submitted
reply submissions.

The Commission finds that the statutory requirements of section 337(g)
(19 U.S.C. 1337(g)) is met with respect to respondents Yiwu and Guangzhou
Pengcheng. Accordingly, pursuant to section 337(g)(1) (19 U.S.C. 1337(g)(1)) and
Commission rule 210.16(c) (19 CFR 210.16(c)), the Commission presumes
the facts alleged in the complaint to be true and finds that Yiwu and
Guangzhou Pengcheng are in violation of section 337. The Commission further
finds that T-Tech is in violation of section 337 pursuant to section 210.17
of the Commission’s Rules of Practice and Procedure (19 CFR 210.17), which
states that a failure to participate in an investigation may provide a basis for a
finding of violation of section 337 under section 337(d)(1) (19 U.S.C. 1337(d)(1)).

The Commission has determined that the appropriate form of relief in this
investigation is a limited exclusion order prohibiting the unlicensed entry of
certain ink application devices and
components thereof that are
manufactured abroad by or on behalf of,
imported by or on behalf of, respondents Yiwu and T-Tech by reason of infringement of one or more of

imported by or on behalf of, respondents Yiwu and
Guangzhou Pengcheng by reason of infringement of one or more of
1–3, 7–12 and 16–20 of the ’530 patent

and claims 1–4, 10, 12–14, 21–23, and
26–28 of the ’530 patent. The
Commission has further determined that the public interest factors enumerated in section 337(g)(1) (19 U.S.C. 1337(g)(1)) and section 337(d)(1) (19 U.S.C. 1337(d)(1)) do not preclude issuance of the limited exclusion order. Finally, the
Commission has determined that the
bond for importation during the period of Presidential review shall be in the
amount of 100 percent of the entered value of the imported subject articles of
defaulting respondents. The Commission’s order was delivered to the President and the United States Trade Representative on the day of its issuance.

The authority for the Commission’s determination is contained in section
337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part
210 of the Commission’s Rules of Practice and Procedure (19 CFR part
210).

SUPPLEMENTARY INFORMATION: The OWCP is responsible for administering the War Hazards Compensation Act (WHCA) (42 U.S.C. 1701 et seq.). WHCA section 1704(a) provides that an insurance carrier or self-insured who has paid workers’ compensation benefits to or on account of any person for a war-risk hazard may seek reimbursement for benefits paid (plus expenses) out of the Federal Employees’ Compensation Fund. See also 5 U.S.C. 8147.

Insurance carriers and the self-insured file a Claim for Reimbursement of Benefit Payments and Claims Expense under the War Hazards Compensation Act, Form CA–278, to request reimbursement. Regulations implementing the WHCA permit the OWCP to collect the information needed to consider an insurance carrier’s or self-insured’s reimbursement request. See 20 CFR 61.101 and 61.104. This ICR has been classified as a revision, because the OWCP has revised Form CA–278 to include an accommodation statement informing claimants with mental or physical limitations to contact the OWCP. Division of Federal Employees’ Compensation if they need further assistance with the claims process.
