Abstract: The data collection under this revision and renewal request is governed by the “Additional Requirements” section of the Personnel Preparation to Improve Services and Results for Children with Disabilities—Combined Priority for Personnel Preparation and Preparation of Leadership Personnel notice, published in the **Federal Register** on March 25, 2005 and by Sections 304.23–304.30 of the June 5, 2006, regulations that implement Section 662 (h) of the IDEA Amendments of 2004, which require that individuals who receive a scholarship through the Personnel Development Program funded under the Act subsequently provide special education and related services to children with disabilities for a period of two years for every year for which assistance was received. Scholarship recipients who do not satisfy the requirements of the regulations must repay all or part of the cost of assistance, in accordance with regulations issued by the Secretary. These regulations implement requirements governing, among other things, the service obligation for scholars, reporting requirements by grantees, and repayment of scholarships by scholars. In order for the federal government to ensure that the goals of the program are achieved, certain data collection,

GPRA requires Federal agencies to establish performance measures for all programs, and the Office of Special Education Programs' (OSEP) has established performance measures for the Personnel Development Program. Data collection from scholars who have received scholarships under the Personnel Development Program is necessary to evaluate these measures.
