The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in section 207.21 of the Commission's rules, upon notice from the Department of Commerce (Commerce) of affirmative preliminary determinations in the investigations under sections 703(b) or 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in those investigations under sections 705(a) or 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

¹ The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

Background

On June 27, 2013, a petition was filed with the Commission and Commerce by All America Threaded Products Inc., Denver, Colorado; Bay Standard Manufacturing Inc., Brentwood, California; and Vulcan Threaded Products Inc., Pelham, Alabama, alleging that an industry in the United States is materially injured or threatened with material injury by reason of LTFV and subsidized imports of certain steel threaded rod from India and LTFV imports of certain steel threaded rod from Thailand.

Accordingly, effective June 27, 2013, the Commission instituted countervailing duty investigation No. 701-TA-498 and antidumping duty investigation Nos. 731-TA-1213-1214 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of July 3, 2013 (78 FR 40170). The conference was held in Washington, DC, on July 18, 2013, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on August 12, 2013. Abstract: This survey is being conducted as a part of an evaluation of OJJDPs JJRRI Demonstration Program. In 2012, OJJDP commissioned a 36-month evaluation of the Juvenile Justice Reform and Reinvestment Initiative (JJRRI) Demonstration Program. The JJRRI Demonstration Program provides funds to three states and/or local administering agencies for juvenile justice to develop and implement an integrated set of evidence-based and cost-measurement tools that will enable them to make informed decisions about resources and services for juvenile-justice involved youth.

The Urban Institute (UI) is conducting a comprehensive evaluation of JJRRI to determine whether the initiative has had the intended effect of improving program- and cost-effectiveness. As part of this evaluation, UI will conduct two web-based surveys with key stakeholders at each site to measure changes in attitudes towards evidence-based practices as a result of the JJRRI Demonstration Program.

The main objective of this web-based survey is to measure juvenile justice stakeholder—agency leadership and staff—support for use and knowledge of Evidence-Based Practice's in the three sites selected to be JJRRI Demonstration Programs. Two surveys will be conducted by UI to measure stakeholder support and knowledge of evidence-based practices. The first survey will assess baseline attitudes of EBPs. The second survey will measure the extent to which context and attitudes change through the initiative.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* It is estimated that 480 respondents will complete a 20 minute questionnaire.

(6) *An estimate of the total public burden (in hours) associated with the collection:* Approximately 160 hours.
