

\$770. Because \$770 exceeds the current amount of \$750, the monthly earnings threshold is \$770 for 2014.

Domestic Employee Coverage Threshold

General

The minimum amount a domestic worker must earn so that such earnings are covered under Social Security or Medicare is the domestic employee coverage threshold. For 2014, this threshold is \$1,900. Section 3121(x) of the Internal Revenue Code provides the formula for increasing the threshold.

Computation

Under the formula, the domestic employee coverage threshold amount for 2014 is equal to the 1995 amount of \$1,000 multiplied by the ratio of the national average wage index for 2012 to that for 1993. If the resulting amount is not a multiple of \$100, it is rounded to the next lower multiple of \$100.

Domestic Employee Coverage Threshold Amount

Multiplying the 1995 domestic employee coverage threshold amount (\$1,000) by the ratio of the national average wage index for 2012 (\$44,321.67) to that for 1993 (\$23,132.67) produces the amount of \$1,915.98. We then round this amount to \$1,900. Accordingly, the domestic employee coverage threshold amount is \$1,900 for 2014.

Election Official and Election Worker Coverage Threshold

General

The minimum amount an election official and election worker must earn so that such earnings are covered under Social Security or Medicare is the election official and election worker coverage threshold. For 2014, this threshold is \$1,600. Section 218(c)(8)(B) of the Act provides the formula for increasing the threshold.

Computation

Under the formula, the election official and election worker coverage threshold amount for 2014 is equal to the 1999 amount of \$1,000 multiplied by the ratio of the national average wage index for 2012 to that for 1997. If the amount so determined is not a multiple of \$100, it is rounded to the nearest multiple of \$100.

Election Worker Coverage Threshold Amount

Multiplying the 1999 election worker coverage threshold amount (\$1,000) by the ratio of the national average wage

index for 2012 (\$44,321.67) to that for 1997 (\$27,426.00) produces the amount of \$1,616.05. We then round this amount to \$1,600. Accordingly, the election worker coverage threshold amount is \$1,600 for 2014.
