Electronic Submission of Comments. Interested persons may submit comments electronically through the Federal eRulemaking Portal at http://www.regulations.gov. HUD strongly encourages commenters to submit comments electronically. Commenters should follow instructions provided on that site to submit comments electronically.

SUPPLEMENTARY INFORMATION: On September 13, 2013 (78 FR 56625), HUD published a proposed rule in the Federal Register that would implement changes made by the Dodd-Frank Wall Street Reform and Consumer Protection Act (Pub. L. 111–203, 124 Stat. 1376 (July 21, 2010)) (Dodd-Frank Act) to HUD’s Housing Counseling Program, established pursuant to section 106 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701x) (1968 Act). The Dodd-Frank Act amended section 106 of the 1968 Act to improve the effectiveness of HUD’s Housing Counseling Program by, among other things: defining certain commonly used terms in the program; ensuring that HUD-approved counselors provide counseling covering the entire process of homeownership, from the purchase of a home to its disposition; requiring that housing counseling agencies provide materials on home inspections, as part of home purchase counseling; ensuring that rental or homeownership counseling provided in connection with HUD programs is administered in accordance with procedures established by HUD; and requiring that all HUD-related homeownership counseling and rental housing counseling, provided in connection with any HUD program, is provided by HUD-certified housing counseling agencies through their HUD-certified housing counselors. Interested readers should refer to the preamble of the September 13, 2013, proposed rule for additional information on the proposed regulatory changes.

In the September 13, 2013 proposed rule, HUD established a comment due date of November 12, 2013. In response to recent requests for additional time to submit public comments and given the application of the rule to both housing counseling agencies and individual counseling providers, HUD believes that an extension of the deadline would provide the time needed for housing counseling agencies to disseminate the information to affected housing counselors and time for housing counselors to provide comments. Therefore, HUD is announcing through this notice an extended public comment period, for an additional 30-day period, to December 12, 2013.

Dated: October 31, 2013.

Sarah S. Gerecke,
Deputy Assistant Secretary for Housing Counseling.

I. Background on the Oklahoma Program

Section 503(a) of the Act permits a State to assume primacy for the regulation of surface coal mining and reclamation operations on non-Federal and non-Indian lands within its borders by demonstrating that its program includes, among other things, “. . . On the basis of these criteria, the Secretary of the Interior conditionally approved the Oklahoma program on January 19, 1981.
