The purpose of the Board is to provide advice on the scientific quality, budget, safety, and mission relevance of investigator-initiated research proposals submitted for VA merit review consideration. Proposals submitted for review by the Board involve a wide range of medical specialties within the general areas of biomedical, behavioral, and clinical science research.

The panel meetings will be open to the public for approximately one-half hour at the start of each meeting to discuss the general status of the program. The remaining portion of each

panel meeting will be closed to the public for the review, discussion, and evaluation of initial and renewal research proposals. Because some of the meetings are being held in a government building, a photo I.D. must be presented at the Guard's Desk as a part of the clearance process. Therefore, you should allow an additional 15 minutes before the meeting begins.

The closed portion of each meeting involves discussion, examination, and reference to staff and consultant critiques of research proposals. During this portion of each meeting, discussions will deal with scientific merit of each proposal and qualifications of personnel conducting the studies, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, as well as research information, the premature disclosure of which could significantly frustrate implementation of proposed agency action regarding such research

proposals. As provided by subsection 10(d) of Public Law 92-463, as amended, closing portions of these panel meetings is in accordance with title 5 U.S.C., 552b(c)(6) and (9)(B).

Those who plan to attend the general session or would like to obtain a copy of the minutes from the panel meetings and rosters of the members of the panels should contact Alex Chiu, Ph.D., Manager, Merit Review Program (10P9B), Department of Veterans Affairs, 810 Vermont Avenue NW, Washington, DC 20420, at (202) 443-5672 or by email at alex.chiu@va.gov.

By Direction of the Secretary.

Dated: November 1, 2013.

William F. Russo,

Deputy Director, Regulation Policy and Management, Office of the General Counsel, Department of Veterans Affairs.
