## PRIVACY AND CIVIL LIBERTIES OVERSIGHT BOARD

### 6 CFR Parts 1001, 1002, and 1003

[PCLOB; Docket No. 2013–0003; Sequence 1]

RIN 0311–AA01

### Freedom of Information, Privacy Act, and Government in the Sunshine Act Procedures

**AGENCY:** Privacy and Civil Liberties Oversight Board.

**ACTION:** Final rule.

**SUMMARY:** The Privacy and Civil Liberties Oversight Board is finalizing regulations to implement the Freedom of Information Act, the Privacy Act of 1974, and the Government in the Sunshine Act. This rule describes the procedures for members of the public to request access to records. In addition, this rule also includes procedures for the Board's responses to these requests, including the timeframe for response and applicable fees.

**DATES:** *Effective Date:* January 7, 2014.

**FOR FURTHER INFORMATION CONTACT:** Diane Janosek, Chief Legal Officer, Privacy and Civil Liberties Oversight Board, at 202–331–4084 or [diane.janosek@pclub.gov](mailto:diane.janosek@pclub.gov).

**SUPPLEMENTARY INFORMATION:** These regulations were published for public comment in the *Federal Register* on May 15, 2013 (78 FR 28532), the comment period ended on July 15, 2013, and four commenters provided input. Two commenters were private citizens, one commenter was a federal agency and the other commenter was a public interest research center. Both the federal agency and the public interest research center posted their comments on [www.regulations.gov](http://www.regulations.gov) and those comments are available for public review.

## I. Background

The first commenter expressed support of privacy rights in general, although it did not comment specifically on this rulemaking. We appreciate the commenter's remark.

The second commenter provided various comments on the proposed Freedom of Information Act procedures at part 1001. First, the commenter recommended that section 1001.5 include a facsimile number or electronic mail address for the submission of FOIA requests. We agree and have provided a variety of means for requesters to submit FOIA requests, including electronically. The commenter objected to language in the proposed section 1001.5(b) that stated that FOIA requesters shall reasonably describe the requested records "with sufficient specificity regarding names, dates, and subject matter to permit the FOIA Officer to locate the records." The commenter noted that the FOIA statute requires only that records be "reasonably described," not that requesters provide detail about the names, dates, and subject matter. The commenter also expressed concern that a requester's failure to provide this additional information might be used as a basis for denying a request. As the Board did not intend to create additional procedural requirements for FOIA requesters, we have stricken the objected-to language from the rule. Nonetheless, we encourage requesters to provide as much information about the records they are seeking as possible, including names, dates, and subject matter, to facilitate cost-effective identification of responsive records and prompt responses.

In addition, the commenter had several comments about the proposed section 1001.10 concerning fees. First, the commenter asserted that section 1001.10 was defective because it did not include the FOIA's statutory prohibition on the imposition of search or duplication fees when agencies fail to respond to FOIA requests and the submitter appeals within the required timelines. The Board will adhere to the statute. The commenter also expressed that section 1001.10(d), concerning how we will assess review charges, was ambiguous. We have revised this language to comply with the Office of Management and Budget's (OMB) Fee Guidelines.

In addition, the commenter noted that our proposed rule did not identify a threshold below which we would not charge fees. We agree and have set a threshold at \$25. Lastly, with respect to fees, the commenter asserted that the section of the proposed regulations that permitted aggregation of certain requests (at section 1001.10(j) in the Notice of Proposed Rulemaking) altered and exceeded the scope and intention of the law. Although the proposed section mirrored the statutory language, the commenter noted that OMB's Fee Guidelines state that agencies may only aggregate requests when an agency reasonable believes that requests were separated for the "purpose of avoiding the assessment of fees." The FOIA permits agencies to aggregate requests for fee purposes, or to determine the presence of unusual circumstances affecting the timeframe for response. 5 U.S.C. 552(a)(6)(B)(iv). We have revised the rule to include a new section 1001.8(g) that clarifies, consistent with 5 U.S.C. 552(a)(6)(B)(iv), that we may aggregate requests for either fee or tolling purposes. We will comply with OMB's Fee Guidelines when determining whether aggregation is appropriate for fee purposes.

The third commenter was a federal agency and offered suggestions to clarify the rule. The commenter provided multiple comments and in some cases suggested language to model agencies' best practices. The commenter had suggestions to add clarity to definitions; specificity was offered on the definitions of "person," "FOIA" and its inclusion of third-party-requests, "FOIA Public Liaison," "Requestor category," and "fee waiver." We agree with the suggestions and the definitions were modified.

The commenter suggested informing requestors that although requests are considered either FOIA or Privacy Act requests, agencies process requests in accordance with both laws. We agree and have accepted the change.

The commenter suggested better contact information for the Board. We agree and it has been added. The commenter suggested editing section 1001.6 to align it to changes in 5 U.S.C. 552(b) with regard to agencies indicating, where technically feasible, the amount of information deleted and the exemption. We agree and section 1001.6 has been modified in part.

The commenter suggested the rule provide a point of contact at the receiving agency for a referral. We agree and it has been added.

The commenter asserted that the language in proposed rule at section 1001.7 administrative appeals was counter to the spirit of FOIA. We agree and it has been changed. The commenter further asserted that the proposed rule at section 1001.7 administrative appeals language was too stringent in stating that requesters cite legal authorities in their appeals. We agree and it has been changed. Lastly, the commenter suggested that the proposed rule at section 1001.7 include a reference to the National Archives and Records Administration Office of Government Information Services and the services they provide to both the agency and the requester. We agree and it has been added.

The commenter suggested that a breakdown of fees be provided in section 1001.10. We agree and it has been added.

The commenter suggested that the rule include language on preservation of records and records management. While the Board did not find it necessary to include additional language on records management, the Board will adhere to applicable statutes and is committed to proper records preservation and records management. The Board appreciates the commenter's suggestions.

The fourth commenter was a public interest research center. The comments offered improvements to the rule. Some of the commenter's suggestions mirrored the other comments, and the majority have been accepted.

The commenter proposed that the Chief FOIA Officer be a person other than the Chairman. We agree and have provided for this delegation. Currently, the Board has delegated this function to the Chief Administrative Officer. As the Board is still in the process of hiring staff and flexibility is needed, a provision for delegation is the optimal course at this time. The Board will identify its FOIA point of contact on the Board's Web site.

The commenter suggested a change to the definition of "confidential business information." Although we appreciate the commenter's perspective, the Board has decided to retain the language which mirrors the FOIA statute.

The commenter asserted the section on "unusual circumstances" was inconsistent with the FOIA in that the proposed rule deleted the words "field facilities." The deletion of the reference to "field facilities" is based on the fact that the Board does not have any field facilities. The Board has used the words

"physically separate facilities" in the event that in the future the Board maintains records in more than one location, although at this time it does not.

The commenter asserted that in section 1001.2 the words "all practicable speed" were omitted. We agree and accept the comment.

The commenter asserted that the proposed rule for exemption (b)(5) did not follow the language in the statute. We agree and accept the comment.

The commenter asserted that the proposed rule on the process for consultations and referrals did not follow the language in the statute that permits this practice only with agencies having a "substantial interest" in the record. We agree and accept the comment. The commenter also asserted that the proposed rule on the process for consultations and referrals did not follow the statutory language for classification matters. We agree and accept the change.

The commenter suggested that the language on administrative appeals was too ambiguous. We agree. We accepted the suggestion offered by the federal agency to clarify the language.

The commenter asserted that the provision on multi-track processing was too vague. Although we appreciate the comment, the language follows best practices language used by other agencies.

The commenter asserted that the proposed provision on expedited processing contains confusing and inappropriate language. The commenter suggested the deletion of the words "beyond the public's right to know about government activity generally." We agree and accept the comment. The commenter asserted the proposed rule on the Sunshine Act at section 1003.3(b) did not advance the purpose of the statute in its proposed language addressing the process required to terminate an open meeting. We agree and have changed this section to reflect the more balanced approach advocated by the commenter, which is now consistent with the statute.

The commenter disagreed with proposed procedures at sections 1003.7(a) and 1003.7(c) addressing changes prior to a publicly announced meeting, such as its location or agenda, suggesting that the proposed language provided a "potential loophole" to the statutory requirement. We appreciate the commenter's perspective. The Board has modified these sections to adhere more closely to the statutory language. If an item is deleted from an open meeting agenda, and if after the open meeting the Board desires to address the

item, the item will be included in the agenda for the next open meeting.

The commenter offered that the words "in a place easily accessible" be added to section 1003.9. We agree and accept the change. The Board now has an operational Web site at [www.pclob.gov](http://www.pclob.gov).

The commenter offered that the presumption of openness be added to the proposed rule. We agree and accept the change.

The Board will comply with all applicable laws in its FOIA, Privacy Act, and Sunshine Act administration, including Presidential memoranda and Attorney General guidance. We thank all commenters for their thoughtful input.

## II. Regulatory Analysis and Notices

### *Executive Order 12866*

This final rule is not a "significant regulatory action" within the meaning of Executive Order 12866. The economic impact of these regulations should be minimal, therefore, further economic evaluation is not necessary.

### *Regulatory Flexibility Act, as Amended*

The Regulatory Flexibility Act, as amended by the Small Business Regulatory Enforcement Act of 1996 (5 U.S.C. 601 *et seq.*), generally requires an agency to prepare a regulatory flexibility analysis for any rule subject to notice and comment rulemaking under the Administrative Procedure Act or any other statute, unless the agency certifies that the rule will not have a significant economic impact on a number of small entities. Small entities include small businesses, small organizations, and small government jurisdictions. The Board considered the effects on this rulemaking on small entities and certifies that this final rule will not have a significant impact on a substantial number of small entities.

### *Unfunded Mandates Reform Act of 1995*

The Unfunded Mandates Reform Act of 1995 (UMRA), Public Law 104-4, requires each agency to assess the effects of its regulatory actions on state, local, and tribal governments, and the private sector. Agencies must prepare a written statement of economic and regulatory alternatives anytime a proposed or final rule imposes a new or additional enforceable duty on any state, local, or tribal government or the private sector that causes those entities to spend, in aggregate, \$100 million or more (adjusted for inflation) in any one year (defined in UMRA as a "federal mandate"). The Board determined that such a written statement is not required in connection with this final rule

because it will not impose a federal mandate, as defined in UMRA.

#### *National Environmental Policy Act*

The Board analyzed this final rule for purposes of the National Environmental Policy Act of 1969, 42 U.S.C. 4321 *et seq.*, and determined that it would not significantly affect the environment; therefore, an environmental impact statement is not required.

#### *Paperwork Reduction Act*

Under the Paperwork Reduction Act of 1995 (PRA), 44 U.S.C. 3501 *et seq.*, federal agencies must obtain approval from the Office of Management and Budget for each collection of information they conduct, sponsor, or require through regulations. This final rule does not include an information collection for purposes of the PRA.

#### *Executive Order 13132 (Federalism)*

This action has been analyzed in accordance with the principles and criteria contained in Executive Order 13132, dated August 4, 1999, and the Board determined that it does not have sufficient implications for federalism to warrant the preparation of a Federalism Assessment.

(3) The need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request.

#### § 1001.3 Availability of records.

(a) In accordance with 5 U.S.C. 552(a)(1), the Board publishes the following records in the **Federal Register** and makes an index of the records publicly available:

(2) Administrative staff manuals and instructions to staff that affect a member of the public;

(3) Copies of all records, regardless of the form or format, which have been released to any person under paragraph (c) of this section and that, because of their nature or subject matter, the Board determines have become or are likely to become the subject of subsequent requests for substantially the same records; and

(c) In accordance with 5 U.S.C. 552(a)(3), the Board shall make available, upon proper request, as described in section 5 of this part, all non-exempt Board records, or portions of records, not previously made public under paragraphs (a) and (b) of this section.

(d) The FOIA applies only to Board records in existence at the time of the request; the FOIA does not require that the Board create new records in order to respond to FOIA requests. When responsive records are located, the Board adopts a presumption of disclosure and openness.

#### § 1001.4 Categories of exemptions.

(a) The FOIA does not require disclosure of matters that are:

(1) Specifically authorized under criteria established by an executive order to be kept secret in the interest of national defense or foreign policy and are, in fact, properly classified under executive order;

(2) Related solely to the internal personnel rules and practices of the Board;

(3) Specifically exempted from disclosure by statute (other than the Government in the Sunshine Act, 5 U.S.C. 552b, as amended), provided that such statute:

(i) Requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue, establishes particular criteria for withholding, or refers to particular types of matters to be withheld; and

(ii) If enacted after October 28, 2009, specifically cites to Exemption 3 of the FOIA, 5 U.S.C. 552(b)(3);

(4) Trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(5) Inter-agency or intra-agency memoranda or letters, which would not be available at law to a party other than an agency in litigation with the Board;

(6) Personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(7) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person of a right to a fair trial or impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a state, local, or foreign agency or authority or any

private institution that furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual.

(8) Contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions; or

(9) Geological and geophysical information and data, including maps, concerning wells.

(b) [Reserved]

#### § 1001.5 Request for records.

(a) You may request copies of records under this part by email to *FOIA@pclub.gov* or in writing addressed to FOIA Officer, Privacy and Civil Liberties Oversight Board, 2100 K Street NW., Suite 500, Washington, DC 20427.

(b) Your request shall reasonably describe the records sought with sufficient specificity, and when possible, include names, dates, and subject matter, in order to permit the FOIA Officer to locate the records with a reasonable amount of effort. If the FOIA Officer cannot locate responsive records based on your written description, you will be notified and advised that further identifying information is necessary before the request can be fulfilled. Although requests are considered either FOIA or Privacy Act requests, the Board processes requests for records in accordance with both laws so as to provide the greatest degree of lawful access while safeguarding an individual's personal privacy.

(c) Your request should specify your preferred form or format (including electronic formats) for the records you seek. We will accommodate your request if the record is readily available in that form or format. When you do not specify the form or format of the response, we will provide responsive records in the form or format most convenient to us.

**§ 1001.6 Responsibility for responding to requests.**

(a) *In general.* The Board delegates authority to grant or deny FOIA requests in whole or in part to the FOIA Officer. When conducting a search for responsive records, the FOIA Officer generally will search for records in existence on the date of the search. If another date is used, the FOIA Officer shall inform the requester of the date used.

(b) *Responses.* The FOIA Officer will notify you of his or her determination to grant or deny your FOIA request in the time frame stated in § 1001.8. The Board will release reasonably segregable non-exempt information. For any adverse determination, including those regarding any disputed fee matter; a denial of a request for a fee waiver; or a determination to withhold a record, in whole or in part, that a record does not exist or cannot be located; or to deny a request for expedited processing; the notice shall include the following information:

- (1) The name(s) of any person responsible for the determination to deny the request in whole or in part;
- (2) A brief statement of the reason(s) for the denial, including any FOIA exemption applied in denying the request. The FOIA Officer will indicate, if technically feasible, the amount of information deleted and the exemption under which a deletion is made on the released portion of the record, unless including that indication would harm an interest protected by the exemption;
- (3) An estimate of the volume of information withheld, if applicable. This estimate does not need to be provided if it is ascertainable based on redactions in partially disclosed records or if the disclosure of the estimate would harm an interest protected by an applicable FOIA exemption; and
- (4) A statement that the adverse determination may be appealed and a description of the requirements for an appeal under § 1001.7.

**(c) Consultations and referrals.**

(1) Upon receipt of a FOIA request for a record within the Board's possession, the FOIA Officer should determine if the Board or another federal agency is best able to determine eligibility for disclosure under the FOIA. If the FOIA Officer determines that another agency is better able to evaluate the releasability of the record, the FOIA Officer shall:

- (i) Respond to the FOIA requester after consulting with any other federal agency that has a substantial interest in the record; or
- (ii) Refer the responsibility for responding to the request to the department or agency best able to

determine whether to disclose it (but only if that other department or agency is subject to FOIA). Ordinarily, the department or agency that originated the record will be presumed best able to determine whether to disclose it.

(2) Whenever a request is made for information that is classified, the FOIA Officer shall refer the responsibility for responding to that portion of the request to the agency that originated the information, or has the primary interest in it, as appropriate. Whenever a record contains information that the Board has derivatively classified because it contains information classified by another agency, the FOIA Officer shall refer the responsibility for responding to the request regarding that information to the agency that classified the underlying information or originated the record.

(3) If responsibility for responding to a request is referred to another department or agency, the FOIA Officer shall notify you of the referral. This notice shall identify the part of the request that has been referred and the name of each department or agency to which the request, or part of the request, has been referred, when appropriate and available, the notice will include a point of contact for the referral agency or department.

**§ 1001.7 Administrative appeals.**

(a) You may appeal an adverse determination related to your FOIA request, or the Board's failure to respond to your FOIA request within the prescribed time limits, to the Chief FOIA Officer, Privacy and Civil Liberties Oversight Board, 2100 K Street NW., Suite 500, Washington, DC 20427.

(b) Your appeal must be in writing and received by the Chief FOIA Officer within 60 days of the date of the letter denying your request, in whole or in part. In case of the Board's failure to respond within the statutory time frame, you may submit an administrative appeal at any time until an agency response has been provided. For the most expeditious handling, your appeal letter and envelope should be marked "Freedom of Information Act appeal."

(c) Your appeal letter should state facts and may cite legal or other authorities in support of your request.

(d) The Chief FOIA Officer shall respond to all administrative appeals in writing and within the time frame stated in § 1001.8(d). If the decision affirms, in whole or in part, the FOIA Officer's determination, the letter shall contain a statement of the reasons for the affirmation, including any FOIA exemption(s) applied, and will inform you of the FOIA's provisions for court review. If the Chief FOIA Officer

reverses or modifies the FOIA Officer's determination, in whole or in part, you will be notified in writing and your request will be reprocessed in accordance with that decision. The Board may work with Office of Government Information Services (OGIS) to resolve disputes between FOIA requestors and the Board. A requester may also contact OGIS in the following ways: Via mail to OGIS, National Archives and Records Administration, 8601 Adelphi Road—OGIS, College Park, MD 20740 (ogis.archives.gov), via email at [ogis@nara.gov](mailto:ogis@nara.gov), or via the telephone at 202-741-5770 or 877-684-6448. Facsimile is also available at 202-741-5769.

**§ 1001.8 Time frame for Board response.**

(a) *In general.* The Board ordinarily shall respond to requests according to their order of receipt.

(b) *Multi-track processing.* The Board may use two or more processing tracks by distinguishing between simple and more complex requests based on the amount of work or time needed to process the request.

(c) *Initial decisions.* The Board shall determine whether to comply with a FOIA request within 20 working days after our receipt of the request, unless the time frame for response is extended due to unusual circumstances as further described in paragraph (f) of this section. A request is received by the Board, for purposes of commencing the 20-day timeframe for its response, on the day it is received by the FOIA Officer or, in any event, not later than ten days after the request is first received by any Board office.

(d) *Administrative appeals.* The Chief FOIA Officer shall determine whether to affirm or overturn a decision subject to administrative appeal within 20 working days after receipt of the appeal, unless the time frame for response is extended in accordance with subsection (e) of this section.

(e) *Tolling timelines.* We may toll the 20-day timeframe set forth in paragraphs (c) or (d) of this section:

- (1) One time to await information that we reasonably requested from you, as permitted by 5 U.S.C. 552(a)(6)(A)(iii)(I);
- (2) As necessary to clarify with you issues regarding the fee assessment.

(3) If we toll the time frame for response under paragraphs (e)(1) or (2) of this section, the tolling period ends upon our receipt of your response.

(f) *Unusual circumstances.* In the event of unusual circumstances, we may extend the time frame for response provided in paragraphs (c) or (d) of this section by providing you with written notice of the unusual circumstances and

the date on which a determination is expected to be made. Where the extension is for more than ten working days, we will provide you with an opportunity either to modify your request so that it may be processed within the statutorily-prescribed time limits or to arrange an alternative time period for processing your request or modified request.

(g) *Aggregating requests.* When we reasonably believe that multiple requests submitted by a requester, or by a group of requesters acting in concert, involving clearly related matters, can be viewed as a single request that involves unusual circumstances, we may aggregate the requests for the purposes of fees and processing activities, which may result in an extension of the processing time.

(h) *Expedited processing.* You may request that the Board expedite processing of your FOIA request. To receive expedited processing, you must demonstrate a compelling need for such processing.

(1) For requests for expedited processing, a "compelling need" involves:

(i) Circumstances in which the lack of expedited treatment could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(ii) A request made by a person primarily engaged in disseminating information, with a time urgency to inform the public of actual or alleged federal government activity.

(2) Your request for expedited processing must be in writing and may be made at the time of the initial FOIA request or at any later time.

(3) Your request for expedited processing must include a statement, certified to be true and correct to the best of your knowledge and belief, explaining in detail the basis for requesting expedited processing. If you are a person primarily engaged in disseminating information, you must establish a particular urgency to inform the public about the federal government activity involved in the request.

(4) The FOIA Officer will decide whether to grant or deny your request for expedited processing within ten calendar days of receipt. You will be notified in writing of the determination. Appeals of adverse decisions regarding expedited processing shall be processed expeditiously.

#### § 1001.9 Business information.

(a) *Designation of confidential business information.* In the event a FOIA request is made for confidential business information previously

submitted to the Government by a commercial entity or on behalf of it (hereinafter "submitter"), the regulations in this section apply. When submitting confidential business information, you must use a good-faith effort to designate, by use of appropriate markings, at the time of submission or at a reasonable time thereafter, any portions of your submission that you consider to be exempt from disclosure under FOIA Exemption 4, 5 U.S.C. 552(b)(4). Your designation will expire ten years after the date of submission unless you request, and provide justification for, a longer designation period.

(b) *Notice to submitters.* Whenever you designate confidential business information as provided in paragraph (a) of this section, or the Board has reason to believe that your submission may contain confidential business information, we will provide you with prompt written notice of a FOIA request that seeks your business information. The notice shall:

(1) Give you an opportunity to object to disclosure of your information, in whole or in part;

(2) Describe the business information requested or include copies of the requested records or record portions containing the information; and

(3) Inform you of the time frame in which you must respond to the notice.

(c) *Opportunity to object to disclosure.* The Board shall allow you a reasonable time to respond to the notice described in paragraph (b) of this section. If you object to the disclosure of your information, in whole or in part, you must provide us with a detailed written statement of your objection. The statement must specify all grounds for withholding any portion of the information under any FOIA exemption and, when relying on FOIA Exemption 4, it must explain why the information is a trade secret or commercial or financial information that is privileged and confidential. If you fail to respond within the time frame specified in the notice, the Board will conclude that you have no objection to disclosure of your information. The Board will only consider information that we receive within the time frame specified in the notice.

(d) *Notice of intent to disclose.* The Board will consider your objection and specific grounds for non-disclosure in deciding whether to disclose business information. Whenever the Board decides to disclose business information over your objection, we will provide you with written notice that includes:

(1) A statement of the reasons why each of your bases for withholding were not sustained;

(2) A description of the business information to be disclosed; and

(3) A specified disclosure date, which shall be a reasonable time after the notice.

(e) *Exceptions to the notice requirement.* The notice requirements of paragraphs (c) and (d) of this section shall not apply if:

(1) The Board determines that the information shall not be disclosed;

(2) The information lawfully has been published or has been officially made available to the public;

(3) Disclosure of the information is required by statute (other than the FOIA) or by a regulation issued in accordance with the requirements of Executive Order 12600;

(4) The designation made by the submitter under paragraph (a) of this section appears obviously frivolous, except that, in such a case, the Board shall, within a reasonable time prior to the date the disclosure will be made, give the submitter written notice of the final decision to disclose the information.

(f) *Notice to requesters.* Whenever we provide a submitter with the notice described in paragraph (b) of this section, we also will provide notice to the requester that notice and opportunity to object to the disclosure are being provided to the submitter.

#### § 1001.10 Fees.

(a) We will charge fees that recoup the full allowable direct costs we incur in processing your FOIA request. Fees may be charged for search, review or duplication. As a matter of administrative discretion, the Board may release records without charge or at a reduced rate whenever the Board determines that the interest of the United States government would be served. We will use the most efficient and least costly methods to comply with your request.

(b) With regard to manual searches for records, we will charge the salary rate(s) (calculated as the basic rate of pay plus 16 percent of that basic rate to cover benefits) of the employee(s) performing the search.

(c) In calculating charges for computer searches for records, we will charge at the actual direct cost of providing the service, including the cost of operating the central processing unit directly attributable to searching for records potentially responsive to your FOIA request and the portion of the salary of the operators/programmers performing the search.

(d) We may only charge requesters seeking documents for commercial use for time spent reviewing records to

determine whether they are exempt from mandatory disclosure. Charges may be assessed only for the initial review—that is the review undertaken the first time we analyze the applicability of a specific exemption to a particular record or portion of a record. Records or portions of records withheld in full under an exemption that is subsequently determined not to apply may be reviewed again to determine the applicability of other exemptions not previously considered. We may assess the costs for such subsequent review.

(e) Records will be duplicated at a rate of \$.10 per page, except that the Board may adjust this rate from time to time by rule published in the **Federal Register**. For copies prepared by computer, such as tapes, CDs, DVDs, or printouts, we will charge the actual cost, including operator time, of production. For other methods of reproduction or duplication, we will charge the actual direct costs of producing the document(s). If we estimate that duplication charges are likely to exceed \$25, we will notify you of the estimated amount of fees, unless you indicated in advance your willingness to pay fees as high as those anticipated. Our notice will offer you an opportunity to confer with Board personnel to reformulate the request to meet your needs at a lower cost.

(f) We will charge you the full costs of providing you with the following services:

(1) Certifying that records are true copies; or

(2) Sending records by special methods such as express mail.

(g) We may assess interest charges on an unpaid bill starting on the 31st calendar day following the day on which the billing was sent. Interest shall be at the rate prescribed in 31 U.S.C. 3717 and will accrue from the date of the billing.

(h) We will not charge a search fee for requests by educational institutions, non-commercial scientific institutions, or representatives of the news media. A search fee will be charged for a commercial use requests.

(i) Except for a commercial use request, we will not charge you for the first 100 pages of duplication and the first two hours of search.

(j) You may not file multiple requests, each seeking portions of a document or documents, solely for the purpose of avoiding payment of fees. When the Board reasonably believes that a requester, or a group of requesters acting in concert, has submitted requests that constitute a single request involving clearly related matters, we may

aggregate those requests and charge accordingly.

(k) We may not require you to make payment before we begin work to satisfy the request or to continue work on a request, unless:

(1) We estimate or determine that the allowable charges that you may be required to pay are likely to exceed \$250; or

(2) You have previously failed to pay a fee charged within 30 days of the date of billing.

(l) Upon written request, we may waive or reduce fees that are otherwise chargeable under this part. If you request a waiver or reduction in fees, you must demonstrate that a waiver or reduction in fees is in the public interest because disclosure of the requested records is likely to contribute significantly to the public understanding of the operations or activities of the government and is not primarily in your commercial interest. After processing, actual fees must be equal to or exceed \$25, for the Board to require payment of fees.

recorded vote shall be taken whether to close such meeting or portion thereof.

(d) For every meeting closed, the General Counsel shall publicly certify that, in his or her opinion, the meeting may be closed to the public and shall state each relevant basis for closing the meeting. If the General Counsel invokes the bases set forth in § 1003.5(a) or (c), he/she shall rely upon the classification or designation assigned to the information by the originating agency. (b) Copies of the nonexempt portions of the transcripts or minutes shall be provided upon receipt of the actual costs of the transcription or duplication.

**Removal of References to Credit Ratings in Certain Regulations Governing the Federal Home Loan Banks**

**AGENCIES:** Federal Housing Finance Agency.

**ACTION:** Final rule.

**SUMMARY:** Section 939A of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act) requires Federal agencies to review regulations that require the use of an assessment of the credit-worthiness of a security or money market instrument and any references to, or requirements in, such regulations regarding credit ratings issued by credit rating organizations registered with the Securities and Exchange Commission (SEC) as nationally recognized statistical rating organizations (NRSROs), and to remove such references or requirements. To implement this provision, the Federal Housing Finance Agency (FHFA) proposed on May 23, 2013, to amend certain of its rules and remove a number of references and requirements in certain safety and soundness regulations affecting the Federal Home Loan Banks (Banks). To replace the provisions that referenced NRSRO ratings, FHFA proposed to add requirements that the Banks apply internal analytic standards and criteria to determine the credit quality of a security or obligation, subject to FHFA oversight and review through the examination and supervisory process. FHFA also proposed to delete certain provisions from its regulations that contained references to NRSRO credit ratings because they appeared
