

consistent with NEPA and other relevant considerations of national policy, to avoid or minimize any significant effects of the proposed action on the quality of the human environment. Following completion of the environmental review, the Services will publish a notice of availability and a request for comment on a draft EIS and the applicant's permit application, which will include a draft of the proposed HCP.

Public Comments

We request data, comments, new information, or suggestions from the public, other governmental agencies, the scientific community, Tribes, industry, or any other interested party on this notice. We will consider these comments in developing a draft EIS. We seek specific comments on:

1. Biological information and relevant data concerning the Covered Species;
2. Additional information concerning the range, distribution, population size, and population trends of the Covered Species;
3. Direct, indirect, and cumulative impacts that implementation of the proposed Covered Activities could have on endangered, threatened, and other Covered Species, and their communities and habitats;
4. Other possible alternatives that the Services should consider;
5. Other current or planned activities in the subject area and their possible impacts on the Covered Species;
6. The presence of archeological sites, buildings and structures, historic events, sacred and traditional areas, and other historic preservation concerns, which are required to be considered in project planning by the National Historic Preservation Act; and
7. Identification of any other environmental issues that should be considered with regard to the proposed HCP and permit action.

You may submit your comments and materials by one of the methods listed in the **ADDRESSES** section. Written comments also will be accepted at the scoping meeting.

Scoping Meeting

See **DATES** for the date and time of the public meeting. The scoping meeting is intended to provide the public with a general understanding of the background of the proposed HCP and activities it would cover, alternative proposals under consideration for the draft EIS, and the Services' role and steps to be taken to develop the draft EIS.

The primary purpose of the meeting and public comment period is to solicit

suggestions and information on the scope of issues and alternatives for the Services to consider when drafting the EIS. Written comments will be accepted at the meetings. Comments can also be submitted by the methods listed in the **ADDRESSES** section. Once the draft EIS and proposed HCP are complete and made available for review, there will be an opportunity for public comment on the content of those documents through an additional public comment period.

Meeting Location Accommodations

Persons needing reasonable accommodations to attend and participate in the public meeting should contact Darren Brumback at 562-980-4060 or David Simmons at 805-644-1766. To allow sufficient time to process requests, please call no later than 1 week before the public meeting. If you use a telecommunications device for the deaf, please call the Federal Information Relay Service at 800-877-8339 or visit Federal Relay at <http://www.federalrelay.us/>. Information regarding this proposed action may be available in alternative formats upon request.
