SUPPLEMENTARY INFORMATION: The Military Compensation and Retirement Modernization Commission (MCRMC) was established by the National Defense Authorization Act FY 2013, Public Law 112–239, 126 Stat. 1787 (2013). The Commission is required to seek written comment from the general public and interested parties, to hold public hearings and to transmit to the President a report containing the findings and conclusions of the Commission together with legislative language to implement its recommendations.

Under the Act, the Commission will make its recommendations only after it examines all laws, policies and practices of the Federal Government that result in any direct payment of authorized or appropriated funds to current and former members (veteran and retired) of the uniformed services,

including the reserve components of those services, as well as the spouses, family members, children, survivors, and other persons authorized to receive such payments as a result of their connection to the members of these uniformed services. See § 671(b)(1)(A).

The Commission will also examine all laws, policies, and practices of the Federal Government that result in any expenditure of authorized or appropriated funds to support the persons named in § 671(b)(1)(A) and their quality of life, including:

- Health, disability, survivor, education, and dependent support programs of the Department of Defense and the Department of Veterans Affairs, including outlays from the various Federal trust funds supporting those programs;
- Department of Education impact aid;

Pursuant to the Act the comment period closed November 1, 2013. By this notice, the Commission reopens for public comment. It is vitally important to the Commission that interested members of the public forward comments regarding the pay, retirement, health benefits and quality of life programs of the Uniformed Services to the Commission so they can be read, considered and possibly incorporated into the Commission’s final report. The comment period will remain open until further notice.

It is the policy of the MCRMC to include all comments it receives in the public docket without change and to make them available on its Web site including any personal information provided unless comments include information claimed and identified as confidential business information (CBI)
