Section 4212 of SAFETEA–LU directs the Secretary to require HHG brokers to provide individual shippers with the following information whenever a broker has contact with a shipper or potential shipper:

1. The broker’s USDOT number.
2. The FMCSA booklet titled “Your Rights and Responsibilities When You Move.”
3. A list of all authorized motor carriers providing transportation of HHG used by the broker and a statement that the broker is not a motor carrier providing transportation of HHG.

FMCSA, as the result of a rulemaking that took effect November 29, 2010, amended 49 CFR part 371 by adding subpart B, specific consumer protection requirements for HHG brokers. The
collection of information required by this rulemaking assist shippers in their business dealings with interstate HHG brokers. The information collected is used by prospective shippers to make informed decisions about contracts, services ordered, executed, and settled. The HHG broker is often the primary contact for individual shippers and in the best position to educate shippers and prepare them for a successful move. The information collected makes that possible. To combat deceptive business practices this helps enforcement personnel to better protect consumers by verifying that shippers are receiving information they are entitled to by regulation. HHG brokers are required to provide individual shippers the “Your Rights and Responsibilities When You Move” booklet and the “Ready to Move” brochure. They have the option of providing paper copies or presenting the information through a link on their Internet Web site. The broker is required to document with signed receipts that the individual shipper was provided those materials. HHG brokers are also required to provide the list of HHG motor carriers for which it would arrange transportation to move a potential individual shipper’s HHG, and that broker’s identification information:

1. Assigned USDOT number; and
2. Address.
