SUPPLEMENTARY INFORMATION:

Background: FMCSA, in response to Title IV, Subtitle B of the Safe, Accountable, Flexible, Efficient, Transportation Equity Act: A Legacy for Users (SAFETEA-LU) (Pub. L. 109-59) and a petition for rulemaking from the American Moving and Storage Association (AMSA), amended 49 CFR part 371, existing regulations for brokers, with a Final Rule titled, "Brokers of Household Goods Transportation by Motor Vehicles" (75 FR 72987), November 29, 2010, providing additional consumer protection responsibilities for brokers of HHG.

Section 4212 of SAFETEA-LU directs the Secretary to require HHG brokers to provide individual shippers with the following information whenever a broker has contact with a shipper or potential shipper:

1. The broker's USDOT number.
2. The FMCSA booklet titled "Your Rights and Responsibilities When You Move."

3. A list of all authorized motor carriers providing transportation of HHG used by the broker and a statement that the broker is not a motor carrier providing transportation of HHG.

FMCSA, as the result of a rulemaking that took effect November 29, 2010, amended 49 CFR part 371 by adding subpart B, specific consumer protection requirements for HHG brokers. The

collection of information required by this rulemaking assist shippers in their business dealings with interstate HHG brokers. The information collected is used by prospective shippers to make informed decisions about contracts, services ordered, executed, and settled. The HHG broker is often the primary contact for individual shippers and in the best position to educate shippers and prepare them for a successful move. The information collected makes that possible. To combat deceptive business practices this helps enforcement personnel to better protect consumers by verifying that shippers are receiving information they are entitled to by regulation.

HHG brokers are required to provide individual shippers the "Your Rights and Responsibilities When You Move" booklet and the "Ready to Move" brochure. They have the option of providing paper copies or presenting the information through a link on their Internet Web site. The broker is required to document with signed receipts that the individual shipper was provided those materials. HHG brokers are also required to provide the list of HHG motor carriers for which it would arrange transportation to move a potential individual shipper's HHG, and that broker's identification information:

1. Assigned USDOT number; and
2. Address.

Title: Practices of Household Goods Brokers.

OMB Control Number: 2126-0048.

Type of Request: Revision of a currently approved collection.

Respondents: Brokers of Household Goods.

Estimated Number of Respondents: 690.

Estimated Time per Response: 15 minutes per day × 240 workdays for household goods broker transactions.

Expiration Date: February 28, 2014.

Frequency of Response: On occasion.

Estimated Total Annual Burden: 89,607 hours.

Public Comments Invited: You are asked to comment on any aspect of this information collection, including: (1) Whether the proposed collection is necessary for the performance of FMCSA's functions; (2) the accuracy of the estimated burden; (3) ways for FMCSA to enhance the quality, usefulness, and clarity of the collected information; and (4) ways that the burden could be minimized without reducing the quality of the collected information. The agency will reference your comments in the request for OMB's clearance of this information collection.

Issued under the authority delegated in 49 CFR 1.87 on: November 1, 2013.

G. Kelly Leone,

Associate Administrator, Office of Research and Information Technology and Chief Information Officer.
