Total	34,537	858,683

Estimated Total Annual Non-hour Respondent Cost Burden: \$48,239 per year. There are no maintenance, operation, capital start-up, or recordkeeping costs associated with this information collection. However, this collection does have annual (non-hour) costs in the form of postage costs. There are also filing fees for the appeal briefs and the petitions to the chief administrative patent judge, but these fees are not included in the annual

(non-hour) cost burden for this collection. These fees are covered instead under 0651-0072 America Invents Act Section 10 Patent Fee Adjustments.

The briefs, petitions, and other papers may be submitted by mail through the United States Postal Service. The USPTO expects the items in this collection to be mailed by Express Mail using the flat rate envelope, which can accommodate both the varying

submission weights of these submissions and the various postal zones. Using the Express Mail flat rate cost for mailing envelopes, the USPTO estimates that the average cost for sending these submissions by Express Mail will be \$19.95 and that approximately 2,418 may be mailed to the USPTO.

The USPTO estimates that the total postage cost for this collection will be \$48,239 per year.
