Direct Final Rule and Significant Adverse Comments

DoD has determined this rulemaking meets the criteria for a direct final rule because it involves nonsubstantive changes dealing with DoD’s management of its Privacy Programs. DoD expects no opposition to the changes and no significant adverse comments. However, if DoD receives a significant adverse comment, the Department will withdraw this direct final rule by publishing a notice in the Federal Register. A significant adverse comment is one that explains: (1) Why the direct final rule is inappropriate, including challenges to the rule’s underlying premise or approach; or (2) why the direct final rule will be ineffective or unacceptable without a change. In determining whether a comment necessitates withdrawal of this direct final rule, DoD will consider whether it warrants a substantive response in a notice and comment process.

Executive Order 12866, “Regulatory Planning and Review” and Executive Order 13563, “Improving Regulation and Regulatory Review”

It has been determined that this rule is not a significant rule. This rule does not (1) Have an annual effect on the economy of $100 million or more or adversely affect in a material way the economy; a sector of the economy; productivity; competition; jobs; the environment; public health or safety; or State, local, or tribal governments or communities; (2) Create a serious inconsistency or otherwise interfere with an action taken or planned by another Agency; (3) Materi ally alter the budgetary impact of entitlements, grants, user fees, or loan programs, or the rights and obligations of recipients thereof; or (4) Raise novel legal or policy issues arising out of legal mandates, the President’s priorities, or the principles set forth in these Executive orders.

Public Law 96–354, “Regulatory Flexibility Act” (5 U.S.C. Chapter 6)

This rule will have no significant economic impact on a substantial number of small entities because it is concerned only with the administration of Privacy Act systems of records within the Department of Defense. A Regulatory Flexibility Analysis is not required.

Public Law 96–511, “Paperwork Reduction Act” (44 U.S.C. Chapter 35)

This rule does not contain any information collection requirements subject to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.).

The enrollment fee for Retail or online applications for Premium Forwarding Service® (PFS®), in effect since 2005, is increasing. Additionally, the fee will now vary between Retail and online requests. The enrollment fee paid at the Retail Counter is increasing to $17.00 per application. The enrollment fee paid online is being increased to $16.00 per application. The price of the weekly reshipment charge will remain at $17.00 for January 2014.

Premium Forwarding Service Commercial

The Postal Service provides this advance notice of the redesign of commercial Priority Mail Express (PME) Reshipment and Priority Mail (PM) Reshipment service offerings. Once final systems implementation is completed, anticipated for July 2014, the DMM standards will be revised accordingly. As background, the Postal Service currently offers residential and commercial customers options for reshipment of mail from one delivery location to another. For retail customers, Premium Forwarding Service® (PFS®) is available for up to one year and shipments are sent weekly. For commercial customers, PME Reshipment service (established with a USPS Corporate Account) and PM Reshipment service (established with a Merchandise Return Service (MRS) permit account) are available for a specific period of time and frequency.

Under the new commercial reshipment service, our PFS® offerings will be expanded. Premium Forwarding Service® Commercial (PFS® Commercial) will replace commercial PME Reshipment and PM Reshipment service and will be available to business customers who pay an annual enrollment fee and postage online. Customers will have the ability to determine the frequency and locations where reshipment service is desired, and will choose if the shipments will be sent by either PME or PM. Shipping containers used for PFS® Commercial will be restricted to sacks, tray boxes, and for minimal amounts of mail, Flat Rate envelopes. Additionally, customers will no longer be required to provide MRS or PM labels for reshipments or to pay daily Pickup on Demand fees where currently applicable.

USPS Package Intercept

The USPS Package Intercept™ fee will increase 5.0 percent to $11.50 for January 2014.

USPS Package Intercept Automated Retail Requests

Currently, Retail customers may request to have their package intercepted and redirected to sender by submitting PS Form 1509, Sender’s Request for USPS Package Intercept Service (previously Sender’s Application for Recall of Mail). Commercial customers may request to have their package redirected to sender, to a new postal delivery address, or to a Post Office as Hold For Pickup service through the Business Customer Gateway at https://gateway.usps.com/bcg/login.htm.

The Postal Service will introduce an additional phase of Package Intercept service which will automate the retail requests and related payments for Package Intercept service to online at www.usps.com. As a result of the retail online implementation, manual requests are no longer necessary and PS Form 1509 will be retired.

Additionally, the Postal Service will revise various sections of DMM 507.5.0, Package Intercept, for clarification.

Pickup On Demand Service

The Pickup On Demand® service daily fee will remain at $20.00 for January 2014.

Pickup on Demand Service Online Enhancements

The Postal Service will retire PS Form 5541, Pickup Service Statement—Priority Mail Express, Global Express Guaranteed, Priority Mail, or Standard Post, as a result of online enhancements that automate the payment method for all package pickup services, including Pickup On Demand. Online options, including the request for recurring pickups through the online Package Pickup program, are located at www.usps.com.

New Zone 9 Added to Zone Priced Products

The Postal Service will extend zone pricing to add a “Zone 9” for domestic mail service products provided to the Freely Associated States (FAS). Costs associated with these destinations are unique and significant compared to other origin and destination pairs currently covered by Zone 8. The FAS are three independent countries with eight ZIP Codes included in the 909 3-Digit ZIP Code area assigned to these locations as follows:

- Republic of Palau (PW)—96939, 96940
- Federated States of Micronesia (FM)—96941, 96942, 96943, 96944
- Republic of the Marshall Islands (MI)—96960, 96970

Pricing for the remaining 5-Digit ZIP Codes in the 969 area will not be affected by this pricing change.

Palau Postage Refunds Guaranteed for Loss Only

As set forth in the terms of the Compact of Free Association between the United States Government and the government of the Republic of Palau pending ratification, Palau is added to the list of countries where guaranteed postage is not refunded other than for loss.

Noncompliant IMpb Barcode Surcharge

The Postal Service will implement a $0.20 per piece price for IMpb noncompliant pieces. The surcharge will apply to all competitive product pieces entered at commercial prices. Pieces failing to meet the January 26, 2014 standards for IMpb use and falling outside the established thresholds will be subject to this new surcharge.

Information regarding the details on the application of the surcharge can be found in the November 2013, Final rule Federal Register notice, New Standards to Enhance Package Visibility.
The Postal Service will revise the DMM to waive the permit imprint application fee for mailers using an Electronic Manifest Mailing System (eVS®).

Packaging of Live Animals

The Postal Service will revise DMM standards to clarify that USPS-produced packaging, including Flat Rate containers, is not eligible for shipping live animals.
