

research design and subject-matter specialists). The concept and design are tested by internal staff and a select sample of respondents to confirm its appropriateness, user-friendliness, and to estimate burden (including hours and cost) of the proposed collection of information. Collection techniques are discussed and included in the research, concept, and design discussion to define the most time-, cost-efficient and accurate collection media.

The clearance operates in the following manner: a block of burden hours is reserved at the beginning of the clearance period. The particular activities that will be conducted under the clearance are not specified in advance because they would not be known at the beginning of the clearance period. The Census Bureau provides detailed information to the Office of Management and Budget (OMB) about the specific activities a minimum of two weeks prior to the planned start date of the collection. OMB provides any comments it may have prior to the start date of the planned activity. At the end of each year, a report is submitted to OMB that summarizes the number of hours used as well as the nature and results of the activities completed under the clearance.

II. Method of Collection

This research may be in the form of mailed or electronic questionnaires and/or focus groups, telephone or web-based interviews.

Affected Public: Individuals or households, State or local governments, farms, business or other for-profit organizations, federal agencies or employees, and not-for-profit institutions.

Estimated Number of Respondents: 30,000.

Estimated Time per Response: 10 minutes.

Estimated Total Annual Burden Hours: 5,000.

Estimated Total Annual Cost: There is no cost to respondents, except for their time to answer the questions.

Respondents Obligation: Voluntary.

Legal Authority: Executive Order 12862.

IV. Request for Comments

Comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have

practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Certain Steel Nails From the People's Republic of China: Final Results of Expedited First Sunset Review of the Antidumping Duty Order

AGENCY: Enforcement and Compliance, formerly Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On July 1, 2013, the Department of Commerce (the "Department") initiated the first five-year ("sunset") review of the antidumping duty order on certain steel nails from the People's Republic of China ("PRC") pursuant to section 751(c) of the Tariff Act of 1930, as amended (the "Act").¹ As a result of this sunset review, the Department finds that revocation of the antidumping duty order on certain steel nails from the PRC would be likely to lead to continuation or recurrence of dumping at the levels indicated in the "Final Results of Review" section of this notice.

DATES: *Effective Date:* November 20, 2013.

FOR FURTHER INFORMATION CONTACT: Jerry Huang, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW.,

SUPPLEMENTARY INFORMATION:

Background

On July 31, 2013, the Department received an adequate substantive response from domestic interested party Mid Continent Nail Corporation ("Petitioner") within the deadline specified in 19 CFR 351.218(d)(3)(i).² We received no responses from respondent interested parties. As a result, the Department conducted an expedited (120-day) sunset review of the order, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2). As explained in the memorandum from the Assistant Secretary for Enforcement and Compliance, the Department has exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from October 1, through October 16, 2013.³ Therefore, all deadlines in this segment of the proceeding have been extended by 16 days. If the new deadline falls on a non-business day, in accordance with the Department's practice, the deadline will become the next business day.⁴ The revised deadline for the final results of this sunset review is now November 14, 2013.

Scope of the Order

The merchandise covered by the order includes certain steel nails having a shaft length up to 12 inches. Certain steel nails subject to the order are currently classified under the Harmonized Tariff Schedule of the United States ("HTSUS") subheadings 7317.00.55, 7317.00.65 and 7317.00.75. While the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

For a full description of the scope, see "Certain Steel Nails From the People's Republic of China: Issues and Decision Memorandum for the Final Results of Expedited First Sunset Review of the Antidumping Duty Order," from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Ronald K. Lorentzen, Acting Assistant Secretary for Enforcement and

Analysis of Comments Received

All issues raised in this review are addressed in the Issues and Decision Memorandum. The issues discussed in the Issues and Decision Memorandum include the likelihood of continuation or recurrence of dumping and the magnitude of the margins likely to prevail if the order was to be revoked. Parties may find a complete discussion of all issues raised in the review and the corresponding recommendations in this public memorandum which is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Services System (“IA ACCESS”). Access to IA ACCESS is available to registered users at <http://iaaccess.trade.gov> and is available to all parties in the Central Records Unit, room 7046 of the main Department of Commerce building. In addition, a complete version of the Decision Memorandum can be accessed directly on the Web at <http://enforcement.trade.gov/frn>. The signed Decision Memorandum and the electronic versions of the Decision Memorandum are identical in content.
