Post-Employment Conflict of Interest Regulations; Exempted Senior Employee Positions; Withdrawal of Final Rule

AGENCY: Office of Government Ethics (OGE).

ACTION: Withdrawal of final rule.

SUMMARY: The Office of Government Ethics is withdrawing the final rule “Post-Employment Conflict of Interest Regulations; Exempted Senior Employee Positions” published October 3, 2013, at 78 FR 61153.

DATES: Effective Date: The final rule published on October 3, 2013, at 78 FR 61153 is withdrawn, effective November 25, 2013.

SUPPLEMENTARY INFORMATION: On October 3, 2013, the U.S. Office of Government Ethics (OGE) published a final rule in the Federal Register, at 78 FR 61153, concerning the revocation of certain regulatory exemptions of senior employee positions at the Securities and Exchange Commission (SEC) from the one-year post-employment restrictions of 18 U.S.C. 207(c) and (f). Pursuant to the rulemaking action taken on October 3, 2013, the revocation of regulatory exemptions for covered positions at the SEC, as well as the removal of those exempted positions from Appendix A to 5 CFR part 2641, was to be effective on January 2, 2014. At the request of the SEC, OGE is now withdrawing its final rule of October 3, 2013, to allow the SEC time to effectively educate affected employees before the exemption revocation takes effect. For that reason, the notice of revocation is being rescinded and the final rule withdrawn. Positions that would have been affected by the issuance of October 3, 2013, shall continue to be exempted from the prohibitions of 18 U.S.C. 207(c) and (f), until 90 days from such time that OGE republishes notice of revocation in the Federal Register. OGE anticipates republishing this notice and final rule in January 2014.

Approved: November 19, 2013.

Director, Office of Government Ethics.

Irish Potatoes Grown in Colorado; Modification of the General Cull and Handling Regulation for Area No. 2

AGENCY: Agricultural Marketing Service, USDA.

ACTION: Affirmation of interim rule as final rule.

SUMMARY: The Department of Agriculture (USDA) is adopting, as a final rule, without change, an interim rule that modified the size requirements for potatoes handled under the Colorado potato marketing order. Area No. 2 (order). The order regulates the handling of Irish potatoes grown in Colorado and is administered locally by the Colorado Potato Administrative Committee, Area No. 2 (Committee). The interim rule revised the 1-inch minimum to 1¾-inch maximum size allowance for U.S. Commercial and better grade potatoes contained in the order’s handling regulation for Area No. 2 to ¾-inch minimum to 1¾-inch maximum diameter. In addition, this action revised the minimum size requirement under the order’s general cull regulation to ¾-inch diameter. As required under section 8e of the Agricultural Marketing Agreement Act of 1937, this action also imported the size requirements for imported round type potatoes, other than red-skinned varieties. This change is expected to facilitate the handling and marketing of the Area No. 2 potato crop; provide producers, handlers, and importers with increased returns; and offer consumers increased potato purchasing options.

DATES: Effective November 26, 2013.
