for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-wide rate of 187.25 percent; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter.

With respect to Yingqing, the NSR respondent, the Department has established a combination cash deposit rate for this company consistent with its practice as follows: (1) For subject merchandise produced by Qingqing and exported by Yingqing, the cash deposit rate will be the rate established for Yingqing in the final results of the NSR; (2) for subject merchandise exported by Yingqing, but not produced by Yingqing, the cash deposit rate will be the rate for the PRC-wide entity; and (3) for subject merchandise produced by Qingqing but not exported by Yingqing, the cash deposit rate will be the rate applicable to the exporter.

These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

These determinations are issued and published in accordance with sections 751(a)(1), 751(a)(2)(B), and 777(i)(1) of the Act.

Dated: November 18, 2013.

Paul Piquado,
Assistant Secretary for Enforcement and Compliance.

SUPPLEMENTARY INFORMATION: The Department of Commerce, International Trade Administration, Office of Advisory Committees and Industry Outreach, is accepting applications for United States Travel and Tourism Advisory Board (Board) members. The Board was established pursuant to the Department of Commerce’s authority under 15 U.S.C. 1512 and under the Federal Advisory Committee Act, as amended, 5 U.S.C. App. (FACA), to advise the Secretary of Commerce (Secretary) on matters relating to the U.S. travel and tourism industry. The Board provides a means of ensuring regular contact between the U.S. Government and the travel and tourism industry. The Board advises the Secretary on government policies and programs that affect United States travel and tourism, including the implementation of the National Travel and Tourism Strategy, and the Board serves as a forum for discussing and proposing solutions to industry-related problems. The Board acts as a liaison among the stakeholders represented by the membership and provides a forum for those stakeholders on current and emerging issues in the travel and tourism sector. The Board recommends ways to ensure that the United States remains the preeminent destination for international visitation and tourism throughout the world.

Members shall represent companies and organizations in the travel and tourism sector from a broad range of products and services, company sizes, and geographic locations and shall be drawn from large, medium, and small travel and tourism companies, private-sector organizations involved in the export of travel and tourism-related products and services, and other tourism-related entities.

Each Board member shall serve as the representative of a U.S. company in the travel and tourism industry, a private sector U.S. organization involved in the export of travel and tourism-related products and services, or a tourism-related U.S. entity. For eligibility purposes, a “U.S. company” is a for-profit firm that is incorporated in the United States (or an unincorporated U.S. firm with its principal place of business in the United States) that is controlled by U.S. citizens or by other U.S. companies. A company is not a U.S. company if 50 percent plus one share of its stock (if a corporation, or a similar ownership interest of an unincorporated entity) is known to be controlled, directly or indirectly, by non-U.S. citizens or non-U.S. companies. For eligibility purposes, a “U.S. organization” is an organization, including trade associations and nongovernmental organizations (NGOs), established under the laws of the United States, that is controlled by U.S. citizens, by another U.S. organization (or organizations), or by a U.S. company (or companies), as determined based on its board of directors (or comparable governing body), membership, and funding sources, as applicable. For eligibility purposes, a U.S. entity is a tourism-related entity that can demonstrate U.S. ownership or control, including but not limited to state and local tourism marketing entities, state government tourism offices, state and/or local government-supported tourism marketing entities, and multi-state tourism marketing entities.

Members of the Board will be selected, in accordance with applicable Department of Commerce guidelines, based on their ability to carry out the objectives of the Board as set forth above. Members of the Board shall be selected in a manner that ensures that the Board is balanced in terms of points of view, industry subsector, range of products and services, demographics, geography, and company size.

Additional factors which will be considered in the selection of Board members include candidates’ proven experience in the strategic development and management of travel and tourism-related or other service-related organizations; or the candidate’s proven experience in promoting, developing, and implementing advertising and marketing programs for travel-related or tourism-related industries.

Priority may be given to a Chief Executive Officer, Executive Director, or President (or comparable level of responsibility) of a U.S. company, U.S. organization, or U.S. entity in the travel and tourism sector.

Members shall serve a term of two years from the date of appointment, at the pleasure of the Secretary of Commerce. Although the Board’s current charter terminates in September 2015, it is anticipated that it will be rechartered.

Members shall serve in a representative capacity, representing the views and interests of their particular industry subsector. Board members are not special government employees, and will receive no compensation for their participation in Board activities.

Members participating in Board meetings and events will be responsible for their travel, living and other
