(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* UCR Participation Burden Estimation: There are approximately 18,000 law enforcement agency respondents; calculated estimates indicate five minutes per submission. UCR Form Pretesting: There are approximately 300 respondents; calculated estimates indicate one hour per pretest.

(6) *An estimate of the total public burden (in hours) associated with this collection:* There are approximately 1,800 hours, annual burden, associated with this information collection.
