#### Countervailing Duty Investigation of Chlorinated Isocyanurates From the People's Republic of China: Postponement of Preliminary Determination

**AGENCY:** Enforcement and Compliance, formerly Import Administration, International Trade Administration, Department of Commerce.

**FOR FURTHER INFORMATION CONTACT:** Paul Walker, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: 202-482-0413.

#### SUPPLEMENTARY INFORMATION:

##### Background

On September 18, 2013, the Department of Commerce (the “Department”) initiated the countervailing duty investigation of chlorinated isocyanurates (“chlorinated isos”) from the People’s Republic of

China (“PRC”).<sup>1</sup> Currently, the preliminary determination is due no later than December 8, 2013.<sup>2</sup>

#### Postponement of Due Date for the Preliminary Determination

Section 703(b)(1) of the Tariff Act of 1930, as amended (the “Act”), requires the Department to issue the preliminary determination in a countervailing duty investigation within 65 days after the date on which the Department initiated the investigation. However, section 703(c)(1) of the Act permits the Department to postpone making the preliminary determination until no later than 130 days after the date on which it initiated the investigation if, among other reasons, the petitioner makes a timely request for a postponement, or the Department concludes that the parties concerned are cooperating and determines that the investigation is extraordinarily complicated. Although Clearon Corp. and Occidental Chemical Corporation (“Petitioners”) made a request on November 19, 2013, to postpone the preliminary countervailing duty determination, this request was made after the applicable deadline had passed.<sup>3</sup> However, the original countervailing duty questionnaire is not due to the Department until December 6, 2013, three days before the current date of the preliminary determination. In addition, the Department determines that, thus far, the parties concerned are cooperating because each has made an entry of appearance in this investigation.<sup>4</sup> Also, the Department must analyze 30 complicated programs<sup>5</sup> for each respondent, including

<sup>1</sup> See *Chlorinated Isocyanurates from the People's Republic of China: Initiation of Countervailing Duty Investigation*, 78 FR 59001 (September 25, 2013).

<sup>2</sup> As explained in the memorandum from the Assistant Secretary for Enforcement and Compliance, the Department has exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from October 1, through October 16, 2013. See Memorandum for the Record, from Paul Piquado, Assistant Secretary for Enforcement and Compliance, “Deadlines Affected by the Shutdown of the Federal Government,” dated October 18, 2013. Therefore, all deadlines in this segment of the proceeding have been extended by 16 days. If the new deadline falls on a non-business day, in accordance with the Department’s practice, the deadline will become the next business day. As noted above, the revised deadline for the preliminary determination of this investigation is December 8, 2013.

<sup>3</sup> See Petitioners’ November 19, 2013 letter requesting postponement of the preliminary determination.

<sup>4</sup> See, e.g., The Government of the People’s Republic of China November 20, 2013 submission, “GOC Notice of Appearance and APO Application: Countervailing Duty Investigation of Chlorinated Isocyanurates from the People’s Republic of China.”

<sup>5</sup> The number of programs may be found in the “Countervailing Duty Investigation Initiation Checklist: Chlorinated Isocyanurates from the People’s Republic of China,” at 7—29.

companies that are cross-owned with each respondent, and likely issue multiple supplemental questionnaires. For all these reasons, the Department finds this investigation to be extraordinarily complicated within the meaning of section 731(c)(1)(B) of the Act, and is hereby fully postponing the preliminary countervailing duty determination by 130 days.<sup>6</sup>

The Department notes that 130 days from the initiation date, plus the 16 days tolled due to the closure of the Federal Government, is February 11, 2014. Therefore, pursuant to the discretion afforded to the Department under section 703(c)(1)(B) of the Act, we are postponing the due date for the preliminary determination to no later than February 11, 2014.

This notice is issued and published pursuant to section 703(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: November 22, 2013.

**SUPPLEMENTARY INFORMATION:** The U.S. Secretary of Commerce and the Iraqi Minister of Trade co-chair the Dialogue. The Dialogue consists of a U.S. Section and an Iraqi Section. Each Section consists of members from the private sector, representing the views and interests of the private sector business community. Each Party appoints the members to its respective Section. The Sections provide policy advice and counsel to the U.S. Secretary of Commerce and to Iraq's Minister of Trade that reflect private sector views, needs, and concerns regarding private sector business development in Iraq and enhanced bilateral commercial ties that would form the basis for expanded trade between the United States and Iraq. The Dialogue will exchange information and encourage bilateral discussions that address the following areas:

- Factors that affect the growth of private sector business in Iraq, including disincentives to trade and investment and regulatory obstacles to job creation and investment growth;
- Initiatives that the Government of Iraq might take, such as enacting, amending, enforcing, or repealing laws and regulations, to promote private sector business growth in Iraq;
- Promotion of business opportunities in both Iraq and the United States, and identification of opportunities for U.S. and Iraqi firms to work together; and
- Attracting U.S. businesses to opportunities in Iraq and serving as a catalyst for Iraqi private sector growth.

Applications to represent any sector will be considered. The U.S. section will represent a cross-section of American businesses.

Members serve in a representative capacity representing the views and interests of their particular industries. Members are not special government employees, and receive no compensation for their participation in Dialogue activities. Only appointed members may participate in Dialogue

meetings; substitutes and alternates will not be permitted. Section members serve for three-year terms, but may be reappointed. U.S. Section members serve at the discretion of the Secretary of Commerce.

Candidates will be evaluated based on: their interest in the Iraqi market; export/investment experience in the Iraqi market; contribution to diversity based on size of company, geographic location, and sector; and ability to initiate and be responsible for activities in which the Business Dialogue will be active.

In order to be eligible for membership in the U.S. section, potential candidates shall be:

- A U.S. citizen residing in the United States or able to travel to the United States or other location to attend official Business Dialogue meetings;
- The President or CEO (or comparable level of responsibility) of a private sector company, or, in the case of large companies, a person having substantial responsibility for the company's commercial activities in Iraq, either of which shall possess unique experience with or specialized knowledge about the commercial environment in Iraq; or the head of a non-profit entity, such as a trade or industry association, who possesses unique technical expertise, and the ability to provide counsel with respect to private sector business development in Iraq; and
- Not a registered foreign agent under the Foreign Agents Registration Act of 1938, as amended.
- Applicants may not be federally registered lobbyists, and, if appointed, will not be allowed to continue to serve as members of the U.S. Section of the Dialogue if the member becomes a federally-registered lobbyist.

Members will be selected on the basis of who best will carry out the objectives of the Business Dialogue as described above and as stated in the Terms of Reference for the Dialogue. (The Terms of Reference are available from the point of contact listed above.)

Recommendations for appointment will be made to the Secretary of Commerce. All candidates will be notified of whether they have been selected.

To be considered for membership, please submit the following information as instructed in the addresses and dates captions above: name(s) and title(s) of the individual(s) requesting consideration; name and address of company or non-profit entity to be represented; size of the company or non-profit entity; description of relevant

product, service, or technical expertise; size of company's export trade, investment, and/or international program experience; nature of operations or interest in Iraq; responsibilities of the candidate within the company or non-profit entity; and a brief statement of why the candidate should be appointed, including information about the candidate's ability to initiate and be responsible for activities in which the Business Dialogue will be active.
