### Import Administration; Change of Agency Name for Instruments and Apparatus for Educational and Scientific Institutions

**AGENCY:** Import Administration, Commerce.

**ACTION:** Final rule; Nomenclature change.

**SUMMARY:** Effective October 1, 2013, the Department of Commerce (Department), through internal department organizational orders, changed the name of "Import Administration" to "Enforcement and Compliance." The rule also sets forth a Savings Provision that preserves, under the new name, all actions taken under the name of Import Administration and provides that any references to Import Administration in any document or other communication shall be deemed to be references to Enforcement and Compliance.

**DATES:** This rule is effective December 2, 2013.

#### FOR FURTHER INFORMATION CONTACT:

Robert Goodyear, Director, Office of Operations Support Enforcement & Compliance, Telephone: (202) 482-5194; Michele D. Lynch, Senior Counsel, Office of Chief Counsel for Trade Enforcement and Compliance, Telephone: (202) 482-2879.

#### SUPPLEMENTARY INFORMATION:

##### Background

This rule implements the decision by the Department, through internal Department Organizational Orders 10-3 (effective September 18, 2013) and Department Organizational Order 40-1, (effective September 19, 2013), to consolidate and reorganize certain department organizational functions and revise the name of "Import Administration" to "Enforcement and Compliance." The revision more accurately reflects the breadth of the agency's activities with respect to the enforcement of, and compliance with, U.S. trade laws and agreements. Consistent with the consolidation and name change, this rule makes certain changes in parts 301 and 303 of title 15 of the Code of Federal Regulations. Specifically, this rule changes all references to "Import Administration" wherever they appear in parts 301 and

303 of title 15, to “Enforcement and Compliance.”

This rule shall constitute notice that all references to Import Administration in any documents, statements, or other communications, in any form or media, and whether made before, on, or after the effective date of this rule, shall be deemed to be references to Enforcement and Compliance. Any actions undertaken in the name of or on behalf of Import Administration, whether taken before, on, or after the effective date of this rule, shall be deemed to have been taken in the name of or on behalf of Enforcement and Compliance.

#### Rulemaking Requirements

1. This final rule has been determined to be exempt from review for purposes of Executive Order 12866.

2. This rule does not impose information collection and recordkeeping requirements. Consequently, it need not be reviewed by the Office of Management and Budget under the provisions of the Paperwork Reduction Act of 1995.

3. This rule does not contain policies with Federalism implications as this term is defined in Executive Order 13132.

4. The provisions of the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, the opportunity for public participation, and a delay in effective date, are inapplicable because this rule involves a rule of agency organization, procedure, or practice. 5 U.S.C. 553(b)(B). Further, no other law requires that a notice of proposed rulemaking and an opportunity for public comment be given for this final rule. Because a notice of proposed rulemaking and an opportunity for public comment are not required to be given for this rule under 5 U.S.C. or by any other law, the analytical requirements of the Regulatory Flexibility Act (5 U.S.C. 601, et seq.) are not applicable. Accordingly, this rule is issued in final form.

[Docket No. SSA-2013-0040]

RIN 0960-AH49

#### Extension of Expiration Date for Mental Disorders Body System Listings

**AGENCY:** Social Security Administration.

**ACTION:** Final rule.

**SUMMARY:** We are extending the expiration date of the Mental Disorders body system in the Listing of Impairments (listings) in our regulations. We are making no other revisions to this body system in this final rule. This extension will ensure that we continue to have the criteria we need to evaluate mental disorders at step three of the sequential evaluation processes for initial claims and continuing disability reviews.

**DATES:** This final rule is effective on December 3, 2013.

#### FOR FURTHER INFORMATION CONTACT:

Cheryl A. Williams, Director, Office of Medical Listings Improvement, 6401 Security Boulevard, Baltimore, MD 21235-6401, (410) 965-1020. For information on eligibility or filing for

benefits, call our national toll-free number, 1-800-772-1213, or TTY 1-800-325-0778, or visit our Internet site, Social Security Online, at <http://www.socialsecurity.gov>.

#### SUPPLEMENTARY INFORMATION:

##### Background

We use the listings in appendix 1 to subpart P of part 404 of 20 CFR at the third step of the sequential evaluation process to evaluate claims filed by adults and children for benefits based on disability under the title II and title XVI programs.<sup>1</sup> 20 CFR 404.1520(d), 416.920(d). The listings are in two parts: Part A has listings criteria for adults and Part B has listings criteria for children. If you are age 18 or over, we apply the listings criteria in part A when we assess your impairment or combination of impairments. If you are under age 18, we first use the criteria in part B of the listings when we assess your impairment(s). If the criteria in part B do not apply, we may use the criteria in part A when those criteria give appropriate consideration to the effects of your impairment(s). 20 CFR 404.1525(b), 416.925(b).

##### Explanation of Changes

In this final rule, we are extending the date on which the mental disorders body system listings will no longer be effective from January 2, 2014 to January 2, 2015.

We continue to revise and update all of the listings on a regular basis, including those body systems not affected by this final rule.<sup>2,3</sup> We intend to update the mental disorders body system listings as quickly as possible, but may not be able to publish the final rule revising the listings in this body system by the current expiration date. We published a Notice of Proposed Rulemaking in the **Federal Register** on August 19, 2010, in which we proposed

<sup>1</sup> We also use the listings in the sequential evaluation process we use to determine whether a beneficiary's disability continues. See 20 CFR 404.1594, 416.994, and 416.994a.

<sup>2</sup> 75 FR 51336 (2010). We also recently published a final rule that makes a technical change by replacing the term “mental retardation” in our listings and elsewhere in our rules to “intellectual disability.” 78 FR 46499 (2013).

<sup>3</sup> Since we last extended the expiration date of some of the listings in June 2012 (77 FR 35264 (2012)), we have published final rules revising the medical criteria for evaluating congenital disorders that affect multiple body systems (78 FR 7659 (2013)), and the medical criteria for evaluating visual disorders in the special senses and speech body system (78 FR 18837 (2013)). We have also published proposed rules that would revise the medical criteria for evaluating genitourinary disorders (78 FR 7695 (2013)) and respiratory system disorders (78 FR 7968 (2013)), and provide criteria for evaluating growth disorders and weight loss in children (78 FR 30249 (2013)).
