in which market participants can readily favor competing venues if they deem fee levels at a particular venue to be excessive. In such an environment, the Exchange must continually review, and consider adjusting, its fees and credits to remain competitive with other exchanges. For the reasons described above, the Exchange believes that the proposed rule change reflects this competitive environment.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A) of the Act and paragraph (f)(2) of Rule 19b–4 thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B) of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

SEcurities and EXchange COMMISSION

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Acceptable Trade Range

December 4, 2013.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”), and Rule 19b–4 thereunder, notice is hereby given that on November 21, 2013, The NASDAQ Stock Market LLC (“NASDAQ” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II, below, which items have been prepared by NASDAQ. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to amend rule text in Chapter VI, Section 10 entitled “Book

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

The Exchange believes this proposed rule change would provide NOM Participants greater certainty when transacting orders on the Exchange and continue to reduce the negative impacts of sudden, unanticipated volatility in and enhance the price-discovery process.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act and Rule 19b–4(f)(6) thereunder. Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b–4(f)(6) thereunder.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

3 The term “System” shall mean the automated system for order execution and trade reporting owned and operated by The Nasdaq Options Market LLC. See NOM Rules at Chapter VI, Section 1(a).

4 The Acceptable Trade Range settings are tied to the option premium.

5 NOM Participants may elect to have their orders cancelled by the System after the first iteration.

6 See Phlx Rule 18080(p).

12 17 CFR 240.19b–4(f)(6). In addition, Rule 19b–4(f)(6) requires the Exchange to give the Commission written notice of the Exchange’s intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.
SECURITIES AND EXCHANGE COMMISSION

December 4, 2013.

Pursuant to Section 19(b)(1) 1 of the Securities Exchange Act of 1934 (the “Act”) 2 and Rule 19b–4 thereunder, 3 notice is hereby given that, on November 20, 2013, NYSE Arca, Inc. (the “Exchange” or “NYSE Arca”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 6.37A 4 to eliminate the requirement that Market Makers, when electronically bidding and offering on the OX system (“System”) 5 during an Auction, must comply with the bid-ask differentials specified in Rule 6.37(b)(1)(A)–(F) and instead make the bid-ask differential specified in Rule 6.37A(b)(4) applicable at all times, including during an Auction. Current Rule 6.37A(b)(4) 6 provides that options traded on the System during core trading hours may be quoted with a difference not to exceed $5 between the bid and offer regardless of the price of the bid (“standard-width quote”), except with respect to an Auction, in which case Rule 6.37A(b)(6) governs bidding and offering quote differentials. Rule 6.37(b)(1)(A)–(F) 7 set out Auction bid-ask differentials that vary depending on the price of the bid. Under Rule 6.37A(b)(1)(A)–(F), the quote widths may not be more than: $0.25 if the bid is less than $2; $0.40 if the bid is at least $2 but does not exceed $10; $0.50 if the bid is more than $10 but does not exceed $20; and $1 if the bid is more than $20. The Exchange now proposes to replace the varying narrow-width bid-ask differentials that apply to Market Maker quotations during an Auction with the $5 quote differential that is in place at all other times.

The Exchange notes that the narrow-width bid-ask differentials applicable to Market Maker quotations during an Auction, which the current proposal would replace, were previously deleted from Rule 6.37A in 2010 8 and reinstated in 2011. 9 The Exchange found that at times the absence of more narrow quotes during an Auction prevented series from opening promptly, and could unnecessarily delay the execution of orders. At that time, the Exchange believed that setting
