Foreign-Trade Zone (FTZ) 100—Dayton, Ohio; Notification of Proposed Production Activity; THOR Industries, Inc. (Commercial Bus Manufacturing); Jackson Center, Ohio

The Greater Dayton Foreign-Trade Zone, Inc., grantee of FTZ 100, submitted a notification of proposed production activity to the FTZ Board on behalf of THOR Industries, Inc. (THOR), located in Jackson Center, Ohio. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on November 26, 2013.

THOR already has authority to produce recreational vehicles within FTZ Subzone 100D. The current request would add a finished product and a foreign-status component to the scope of authority. Pursuant to 15 CFR 400.14(b), additional FTZ authority would be limited to the specific foreign-status component and specific finished product described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt THOR from customs duty payments on the foreign status components used in export production. On its domestic sales, THOR would be able to choose the duty rates during customs entry procedures that apply to airguns, break barrel airguns, variable pump airguns, CO2 airguns, and airsoft guns (duty rate ranges from duty-free to 3.9%) for the foreign status materials/components noted below. Customs duties also could possibly be deferred or reduced on foreign status production equipment.
