BILLING CODE 9111-14-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5681-N-48]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT:

Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or

(3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Ritta, Office of Enterprise Support Programs, Program Support Center, HHS, Room 12-07, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (i.e., acreage, floor plan, existing sanitary facilities, exact street address),

providers should contact the appropriate landholding agencies at the following addresses: GSA: Mr. Flavio Peres, General Services Administration, Office of Real Property Utilization and Disposal, 1800 F Street NW., Room 7040 Washington, DC 20405, (202) 501-0084; (This is not a toll-free number).

Dated: December 5, 2013.

Deputy Assistant Secretary for Special Needs.

Bay Delta Habitat Conservation Plan and Natural Community Conservation Plan, Sacramento, CA; Draft Environmental Impact Report/ Environmental Impact Statement, Receipt of Applications, and Announcement of Public Meetings

AGENCY: National Marine Fisheries Service, National Oceanic and Atmospheric Administration, Commerce; Fish and Wildlife Service and Bureau of Reclamation, Interior.

ACTION: Notice of availability; request for comments.

SUMMARY: This notice announces the availability of the Draft Bay Delta Conservation Plan and Natural Community Conservation Plan (BDCP, or the Plan) and Draft BDCP Environmental Impact Report/ Environmental Impact Statement (EIR/ EIS) for public review and comment. In response to receipt of an application from the California Department of Water Resources and certain State and Federal water contractors (the Applicants), the Fish and Wildlife Service (FWS) and the National Marine Fisheries Service (NMFS), are considering the proposed action of issuing 50-year incidental take permits (ITPs) under the Endangered Species Act (ESA) of 1973, as amended. The proposed ITPs would authorize the take of individual species listed under the ESA. The permits are needed because take of species could occur as a result of implementation of activities, including those associated with water operations of the California State Water Project by the California Department of Water Resources. Covered activities in the Plan include the construction, operation, monitoring, and maintenance associated with water conveyance, ecosystem restoration, and other activities in the Sacramento-San Joaquin

Delta (Delta) and vicinity as described in the BDCP.

The Bureau of Reclamation's (Reclamation's) proposed Federal action is to change operation of Central Valley Project (CVP) facilities in the Delta consistent with the BDCP; this operations change would support implementation of coordinated operation of the CVP with the California State Water Project. Reclamation may also make decisions regarding wheeling CVP water through new Delta conveyance facilities, and implementing habitat restoration and monitoring actions proposed by the BDCP that are consistent with Reclamation's regulatory requirements, programs, authorities, and appropriations. These three Federal co-lead agencies have not selected a preferred alternative at this time.

DATES: Comments on the Draft BDCP and Draft EIR/EIS must be received or postmarked by 5 p.m. Pacific Time on April 14, 2014.

Twelve public meetings will be held to receive comments on the Draft BDCP and Draft EIR/EIS. See **SUPPLEMENTARY INFORMATION** section for meeting dates and times.
