#### Safety Zone; 2013 Holiday Boat Parades, Captain of the Port Miami Zone; FL

**AGENCY:** Coast Guard, DHS.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing two temporary safety zones during the month of December when holiday boat parades are scheduled to occur on the navigable waterways in the vicinity of Palm Beach and Miami, Florida. The safety zones consist of a series of moving zones around participant vessels as they transit the navigable waters of the United States during these events. The safety zones are necessary to provide for the safety of the participants, participant vessels, and general public on the navigable waters of the United States during the events. Non-participant persons and vessels will be prohibited from entering, transiting through, anchoring in, or remaining within the safety zones unless authorized by the Captain of the

Port Miami or a designated representative.

**DATES:** This rule is effective from December 13, 2013 until December 14, 2013. For purposes of enforcement, actual notice will be used from December 7, 2013, until December 13, 2013.

##### **Table of Acronyms**

DHS Department of Homeland Security  
FR Federal Register  
NPRM Notice of Proposed Rulemaking

#### **A. Regulatory History and Information**

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because the Coast Guard was waiting to receive all boat parade event applications to determine if other parades would need a safety zone and did not receive necessary information regarding all the events until October 31, 2013. Special local regulations for these events were previously promulgated at 33 CFR

100.701; however, the route and or date of these events does not correspond with the route and or date published in the Code of Federal Regulations. Furthermore, due to the diminishing size of these events, through participants or spectators, the Coast Guard no longer deems these events as needing a marine event permit or special local regulation. The events require a safety zone in order to ensure safety of the marine parade participants and the general public during the parades. The Coast Guard had insufficient time to publish an NPRM and to receive public comments prior to the issuance of this safety zone for these events. Any delay in the effective date of this rule would be contrary to the public interest as immediate action is needed to minimize potential danger to the general public.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register** for reasons stated above.

#### **B. Basis and Purpose**

The legal basis for the rule is the Coast Guard's authority to establish safety zones and other limited access areas: 33 U.S.C. 1231; 46 U.S.C. Chapter 701, 46 U.S.C. 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Pub. L. 107-295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

The purpose of the rule is to provide for the safety of life on the navigable waters during the holiday boat parades in the Captain of the Port Miami Zone.

#### **C. Discussion of Final Rule**

Multiple marine parades are planned for the holiday season throughout the Captain of the Port Miami Zone. The Coast Guard is establishing two safety zones for marine parades during the month of December, 2013 within the navigable waters of the Captain of the Port Miami Zone. The safety zones are listed below.

1. Palm Beach, Florida. On December 7, 2013, Marine Industries Association of Palm Beach County is sponsoring the Palm Beach Holiday Boat Parade. The marine parade will be held on the waters of the Intracoastal Waterway in Palm Beach, Florida. The marine parade will consist of approximately 50 vessels. The marine parade will begin at Lake Worth Daymarker 28 in North Palm Beach and end at the Loxahatchee River Daymarker 7, east of the Glynn Mayo Highway Bridge in Jupiter, Florida. A special local regulation was previously promulgated at 33 CFR 100.701; however, the route and date of the 2013
