### Employment and Training Administration

#### Comment Request for Information Collection for the ETA 586, Interstate Arrangement for Combining Employment and Wages; Extension Without Change

**AGENCY:** Employment and Training Administration (ETA), Labor.

**ACTION:** Notice.

**SUMMARY:** The Department of Labor (Department), as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 [44 U.S.C. 3506(c)(2)(A)]. This program helps ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed.

Currently, ETA is soliciting comments concerning the proposed extension, without change, of the report for the Interstate Arrangement for Combining Employment and Wages, Form ETA 586.

**DATES:** Written comments must be submitted to the office listed in the addresses section below on or before February 11, 2014.

**ADDRESSES:** Submit written comments to John Schuettinger, Office of Unemployment Insurance, Room S-4524, Employment and Training Administration, U.S. Department of Labor, 200 Constitution Avenue NW., Washington, DC 20210. Telephone number: 202-693-2680 (this is not a toll-free number). Individuals with hearing or speech impairments may access the telephone number above via TTY by calling the toll-free Federal Information Relay Service at 1-877-889-5627 (TTY/TDD). A copy of the proposed information collection request (ICR) can be obtained by contacting the person listed above.

**SUPPLEMENTARY INFORMATION:**

## I. Background

Background: Section 3304(a)(9)(B), of the Internal Revenue Code (IRC) of 1986, requires states to participate in an arrangement for combining employment and wages covered under the different state laws for the purpose of determining unemployed workers' entitlement to unemployment compensation. The Interstate Arrangement for Combining Employment and Wages for combined wage claims (CWC), promulgated at 20 CFR 616, requires the prompt transfer of all relevant and available employment and wage data between states upon request. The Benefit Payment Promptness Standard, 20 CFR 640, requires the prompt payment of unemployment compensation including benefits paid under the CWC arrangement. The ETA 586 report provides the ETA/Office of Unemployment Insurance with information necessary to measure the scope and effect of the CWC program and to monitor the performance of each state in responding to wage transfer data requests and the payment of benefits.

## II. Review Focus

The Department is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- enhance the quality, utility, and clarity of the information to be collected; and
- minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

## III. Current Actions

This information is necessary in order for ETA to analyze program performance, know when corrective action plans are needed, and to target technical assistance resources. Without this report, it would be impossible for the ETA to identify claims and benefit activity under the CWC program and carry out the Secretary's responsibility for program oversight.

*Type of Review:* Extension Without Revisions.

*Title:* Interstate Arrangement for Combining Employment and Wages.

*OMB Number:* 1205-0029.

*Affected Public:* State Workforce Agencies.

*Estimated Total Annual Respondents:* 53.

*Estimated Total Annual Responses:* 212.

*Estimated Total Annual Burden Hours:* 848.

*Total Estimated Annual Other Costs Burden:* \$0.

Comments submitted in response to this comment request will be summarized and/or included in the request for OMB approval of the ICR; they will also become a matter of public record.

Signed in Washington, DC, this 5th day of December, 2013.
